1.0 PREAMBLE

The Doctor of Philosophy (Ph.D.) degree is the highest academic degree which requires extended study and extensive intellectual effort. Ph.D. degree is awarded to a candidate who, as per these regulations, has submitted a thesis or dissertation on the basis of original and independent research in any particular subject / discipline or involving more than one discipline (inter-disciplinary) that makes a contribution to the advancement of knowledge, which is approved by Board of Examiners as required. The regulations of Bharathidasan University from the admission to the Ph.D. programme to the award “Degree of Doctor of Philosophy” are based on the UGC (Minimum Standards and Procedure for award of Ph.D. degree) Regulations dated 5th May 2016.

1.1 PLACES OF RESEARCH

Research leading to Ph.D. (Full-time / Part-time) degree must be carried out only in the places mentioned in 1.1.1 to 1.1.3 which have been recognized as centres for research and training in the subjects approved by Bharathidasan University.

1.1.1 Departments/Recognized State or Central Government Funded Centres of Bharathidasan University

(or)

1.1.2 Approved Research Centres / Departments of the (Constituent / Autonomous / Aided / Self-financing) Colleges affiliated to Bharathidasan University

(or)

1.1.3 Regional / National Institutions / Research Laboratories / Organizations / their Regional Laboratories / Centres of Institution / Industrial Establishments based at any part of India

1.2 CATEGORIES OF Ph.D. SCHOLARS

(i) Full-time Research Scholars

(ii) Part-time Research Scholars

1.3 FULL-TIME RESEARCH SCHOLARS

Candidates who pursue their Full-time doctoral research under the guidance of a Research Supervisor in the places mentioned in 1.1.

1.4 PART-TIME RESEARCH SCHOLARS

A Candidate who is presently employed either on Regular or Temporary basis with a minimum of one year of continuous service without break / A Guest Lecturer with the minimum of 2 years (4 semesters) of service with or without break in any Department / College / Institute* / Industry* / Organization* may register for carrying out his/her doctoral research work under the guidance of an approved Research Supervisor of the University with or without Co-Research Supervisor, on Part-time basis. (*Reputed with not less than ten full-time employees and must have a Website)

2.0 ELIGIBILITY REQUIREMENTS

For Candidates with M.Phil. qualification, their PG and M.Phil. programmes must be in the same Subject / Discipline, and they must further qualify in the Ph.D. Entrance Examination

2.1 Full-time Research Scholars

- 2.1.1** Candidates who have qualified for Master's Degree (10 + 2 + 3 + 2 pattern or equivalent in that order) of this University or any other University recognized by UGC as equivalent thereto with not less than 55% of marks or a CGPA of 5.51 in the 10 point scale under CBCS, under the Faculty of Arts, Science, Engineering and Technology (only programmes offered by Bharathidasan University), Management, Commerce, Indian and Other languages are eligible to register for Ph.D. in Bharathidasan University under this category. Their Course of study in the above Master's Degree Programme must be as per the regulations of this University or any other University accredited by UGC for the award of the Degrees in the respective Subject / Discipline of study co-relatable with those of Bharathidasan University. Candidates who belong to SC^a / ST / differently-abled category are eligible for 5% relaxation from the prescribed minimum marks. The Candidates who have qualified for Master's Degree prior to 19-9-

1991, with not less than 50% of marks, are also eligible to register for Ph.D. Programme in Bharathidasan University (^a includes SCA).

In a nutshell :

Candidates with the following qualifications are eligible to apply for the Ph.D. Entrance Examinations:

(i) 55% of marks / 5.51 of CGPA in the 10 point scale under CBCS or above for OBC/OC/BC/BCM/MBC/DNC category

(ii) 50% of marks or above for SC / ST / Differently-abled category

(iii) 50% of marks or above for those who got Master's degree prior to 19-9-1991

2.1.2 Research Fellows of the Council for Scientific and Industrial Research (CSIR) / Indian Council for Agricultural Research (ICAR) / Bhabha Atomic Research Centre / Researchers, Scientists and JRF/SRF/Project Fellows etc., working in research projects funded by external agencies such as DST / CSIR / UGC / MoEF / DOD and similar national and state level organizations and executed by this University / recognized research centres of the colleges affiliated to this University and Regional and National Institutions / Laboratories dedicated to Science and Technology development are also eligible to register for Ph.D. under Full-time Research provided they fulfill the eligibility norms as mentioned in 2.1.1.

2.1.3 Candidates working with regular salary in time-scale from the University / Research Centres are not eligible to apply for the Full-time research category. Attendance is compulsory till the minimum research period.

2.2 Part-time Research Scholars

A candidate referred to in Clause 1.4 who meets the eligibility requirements outlined in Clause 2.1.1 may register for the Ph.D. under this category. The attendance of at least 30 days per year in one or more spells is required until the synopsis is submitted.

Candidates who are employed in other states will be assigned a co-supervisor in the state where they work. Supervisors may appoint Co-supervisors from any

nearby Government Research Institution / University / College in the same discipline, with the approval of Bharathidasan University if a Co-supervisor is not available.

Candidates from other states must submit a willingness letter obtained from the co-supervisor and a copy of their guideship letter, duly forwarded by the head of the institution, university, or college where the co-supervisor works.

Co-supervisors should attend all Doctoral Committee meetings and synopsis presentations in person or through online mode.

2.3 Conversion of Full-time to Part-time registration and vice-versa

Bharathidasan University may permit conversion from Full-time to Part-time research or vice-versa in respect of registered Ph.D. candidates for valid reasons subject to satisfying the regulations in force and the approval of the Vice-Chancellor. The minimum and maximum period of research will be decided on a pro-rata basis, based on the period already completed in the Full-time / Part-time category. The conversion is allowed only once during the complete period of research by paying the prescribed fee but not allowed for those who have already completed the maximum period under Full-time or Part-time category.

2.4 Eligibility for foreign students / NRIs

Full-time and Part-time research candidates from abroad are permitted as mentioned in 1.3 and 1.4, who possess the equivalent eligibility requirements as mentioned in 2.1.1. They can apply with the necessary documents to decide their admission.

3.0 RECOGNITION OF RESEARCH SUPERVISORS

3.1 Teaching faculty working on a regular basis (and not under any other category) in the Schools, Departments, Affiliated Colleges, and Research Centres of Bharathidasan University, who have completed a minimum of two years of continuous service under the same employer and who have a proven research record in the form of research publications in indexed journals as First Author, are eligible to apply for Research Supervisorship.

Teachers applying for Research Supervisorship must be either the First Author or the Corresponding Author in their research articles. In the case of joint authorship, a research publication shall be counted only once and shall not be claimed by more than one teaching faculty member for the purpose of eligibility for Research Supervisorship.

For Science, Arts, Social Sciences, Languages, and Literary Studies, research articles shall be published in journals indexed in **Web of Science** or **Scopus**.

For Indian and Foreign Languages (Tamil, Sanskrit, Hindi, Arabic and French only), Peer-reviewed journals with a minimum of ten years of archival records and continuous publication shall comply with the UGC suggestive parameters (minimum of 20 parameters) (Annexure-I).

Minimum requirement regarding the Number of Publications:

Professor / Associate Professor : Five (5) Research Publications

Assistant Professor : Three (3) Research Publications

Publications in discontinued journals of any database, cloned journals, predatory journals, or dubious journals, as well as presentations in predatory or dubious conferences, shall not be considered for Research Supervisorship eligibility.

The Research Advisor shall possess the following credentials:

For Science Subjects:

"h"-index: Google Scholar – 5 **or** Scopus – 3

For Other Disciplines:

"h"-index: Google Scholar – 3 **or** Scopus – 1

3.1.1 The teachers working on a regular basis in the affiliated colleges shall produce a copy of the appointment order with the present basic pay in the scale of pay, GPF / EPF number and recent service certificate.

- i. A faculty member working on a regular basis, who applies for a Research Advisership from a self-financing college, must submit a copy of the letter of "Qualification Approval" for Assistant Professor given by the Registrar of this University along with their application.

- ii. The faculty members of Government / Government-Aided colleges working on regular / permanent basis, who apply for Research Advisership, are exempted from submission of a copy of the letter of "Qualification Approval" for Assistant Professor given by the Registrar.
 - iii. Research Advisership shall not be granted to the teachers working as Guest Lecturers / Teaching Assistants.
 - iv. If a Research Supervisor resigns and joins another college / institute, then he / she must produce the documents again to confirm that their present job is also a permanent position.
- 3.2** Scientists / Researchers working on a regular basis in various Regional or National Institutions / Research Laboratories / Organizations / Industries (which are recognized as Research Centres by this University), who have completed a minimum of one-year service and proven research record in the form of Five research publications in the Journals enlisted in the UGC website after their Ph.D. Degree, are eligible to apply for Research Advisership.
- 3.3** The individual mentioned in 3.1 and 3.2 desirous of getting themselves recognized as a Research Supervisor must apply to the University and seek for recognition. The University has the right to accept or reject the applications of individuals for recognition as a Research Supervisor. The applicants for Research Advisership should pay the prescribed application processing fee of Rs. 3,000/- (Rupees Three Thousand only) by Online or Demand Draft favouring "Bharathidasan University, Tiruchirappalli." The age limit for applying for Research Advisership shall generally be 3 years before the date of retirement of the faculty member. Applicants with less than three years of service before their retirement are not eligible for Research Advisership.
- 3.4** A Research Supervisor is normally eligible to guide in his / her basic subject. As a special case, he / she may be permitted to guide in the relevant subject in which he / she has at least two publications as the corresponding author in journals enlisted in the UGC website (or) authored a book, after getting approval of the expert committee in the concerned subject as nominated by the Vice-

Chancellor. The Research Advisership is normally granted in one Subject only. The teacher shall continue to be the Research Supervisor only in the name of the working department. The Research Supervisor cannot have more than one Research Advisership. If there are any issues, the decision of the Vice-Chancellor shall be final.

- 3.4.1** Further, a Research Supervisor in the field in which he/she has obtained his/her doctoral degree, but working as a regular member of the faculty in a different but related Department, can guide scholars for Ph.D. either in his/her field of Doctoral research or in the area of his/ her specialization in the department where he / she serves, after obtaining the Research Advisership in the area of his/her specialization in the department where he / she serves.

3.5 Maximum number of candidates under a Research Supervisor

Designation	Total number of Ph.D. candidates including Full-time and Part-time
Professor	8
Associate Professor	6
Assistant Professor	4

Vacancy for a candidate arises only after the submission of the thesis by the existing candidates or cancellation of registration, as per the regulations.

The number of part-time candidates should not exceed 50% in each cadre.

Note: Supervisors may guide up to two international candidates, in addition to the permitted number of Ph.D. candidates, on a supernumerary basis.

- 3.5.1** A recognized Research Supervisor automatically qualifies to guide M.Phil. candidates.
- 3.5.2** Any recognized Research Supervisor could also serve as a Co-supervisor in his / her subject.
- 3.6** If a Research Advisor is transferred to another college coming under the jurisdiction of Bharathidasan University and that the department of the college is recognized by the university for Ph.D. research, the full-time and part-time

research candidates of the Research Advisor should get change of centre by paying prescribed fee and continue their research under the same Supervisor at the department of the college to which a Research Advisor is posted on transfer.

3.6.1 Research Advisor is posted on transfer where the department of a college is not recognized as research centre by Bharathidasan University, then

(i) The full-time and part-time Ph.D. research candidates, who have registered for Ph.D. program under the above-said Research Advisor before his/her transfer, should either opt for change of guide by paying prescribed fee

(or)

(ii) The full-time and part-time Ph.D. research candidates can continue their research in the same college from which they registered for Ph.D. program under the same Research Advisor only after having a Co-supervisor in the same college in which they continue their research.

(iii) A Research Supervisor can act as a Co-Supervisor for a maximum of 10 Research Scholars. In case, no Co-supervisor is available in the registered Department of a College, the Co-supervisor may be chosen from other Colleges / Institutions within Bharathidasan University jurisdiction.

(iv) Co-Supervisor for Full-Time Scholars shall be nominated from other Universities, if necessary.

3.6.2 If a Research Advisor is transferred to a college situated outside the jurisdiction of Bharathidasan University, his/her full-time and part-time Ph.D. research candidates to pursue their research must get the change of Supervisor after paying prescribed fee or find a Co-supervisor in the same research department of the college registered, with the following conditions:

(i) If the Research Supervisor migrates to any institute beyond Bharathidasan University jurisdiction after the completion of course-work / minimum registration period / synopsis of their research candidates, the Supervisor is permitted to continue the Ph.D. candidates with a Co-supervisor from the same or other Research Centre

(ii) If the Research Supervisor transfers / migrates to any institution beyond Bharathidasan University jurisdiction, before the completion of course-work / minimum registration period / synopsis, the Supervisor should surrender the researchers to the research centre and the Ph.D. candidates must opt for a change of Supervisor.

- 3.6.3** On request from a registered Ph.D. candidate, the University may permit the change of Research Supervisor only in deserving cases, subject to consent from the present and the proposed Research Supervisors. In case, the Research Supervisor is on long leave (6 months or more) or has ceased to be a faculty in Department / Constituent College / Research Centre in the Affiliated College or Collaborating Institution, change of Research Supervisor will be considered on the written request from the candidate based on the recommendation of the concerned Head of the Department of the University / Principal of the Affiliated Colleges or Head of the Collaborating Institution. The Vice-Chancellor's decision is final.
- 3.6.4** The Research supervisors working in affiliated colleges can take both Full-time and Part-time research candidates only if the departments to which they are attached to are recognized by the University as a Ph.D. research centre.
- 3.6.5 (i)** Research supervisors working in Departments of Affiliated Colleges of Bharathidasan University that are not recognized as a Research Centre can guide Research Scholars by taking a Co-supervisor from a recognized Research Centre of the University for a period of two years only. No fresh Candidates are taken up by the Faculty Members of the Department, until that Department gets the Research Centre status of the Bharathidasan University.
- (ii) The College concerned, without recognized Research Centre(s), shall obtain recognition as Research Centre(s) for the relevant Discipline(s) within a period of 2 years to facilitate its Faculty Members in engaging in Research and enhance its credentials for accreditation, ranking, etc.

3.6.6 The faculty member may submit a fresh application only after a required number of publications with the prescribed fee, whose application for Research Advisership is rejected.

3.7 A Research Supervisor shall register candidates for Ph.D. Degrees, upto the age of his/her Superannuation as per Tamil Nadu Government G.O. (Re-employment period not considered). However, they can register new candidates by providing the co-supervisor in the same research centre until two-years before their retirement.

3.7.1 After the retirement of a Supervisor, who will nominate a Co-supervisor for the existing research candidates, provided these candidates have successfully completed their course-work / minimum period of research. The Research Supervisor who retired from service should inform the University immediately.

3.8 Research Supervisor or Co-supervisor cannot act as a Guide for the blood related candidates.

4.0 RECOGNITION OF RESEARCH CENTRES

To offer Ph.D. Full-time / Part-time research program, the college/institution must apply and obtain the approval for the Research Centres for any department from Bharathidasan University.

4.1 All the Departments / Recognized State or Central Government Funded Centres functioning directly under the administrative control of Bharathidasan University are automatically recognized as Research Centres. They can admit scholars falling under the two categories as mentioned in 1.3 and 1.4.

4.2 Colleges / Institutions affiliated to this University

4.2.1 Colleges and approved institutions affiliated with Bharathidasan University that offer postgraduate programs may apply for recognition as Research Centres from the University to admit both full-time and part-time students under Category 1.3 and Category 1.4 of the University. Postgraduate programs and the presence of at least two Research Advisors are mandatory requirements for a department to qualify as a Research Centre, without which the recognition will be withheld.

However, in programs where there is a scarcity of qualified and eligible Research Supervisors, recognition as a Research Centre may be granted, assuming adequate infrastructure facilities are available and at least one qualified Research Supervisor is in place, with the Vice-Chancellor's prior authorization.

4.2.2 In the case of a special area of research, collaboration can be made only with the approved research centres of Bharathidasan University.

4.3 Research Laboratories / Organizations / Institutions / Industries

Various Regional and National Research Laboratories / Institutions / Organizations / Industries are also eligible to apply and obtain official recognition from Bharathidasan University to be a Research Centre to admit candidates for Ph.D. Full-time / Part-time under categories 1.3 and 1.4. Institutions desirous of getting recognition must apply to the University for securing recognition as a Research Centre.

4.4 Fee to university

Fifty percent of the Research / Internet / Alumni fees collected from the Ph.D. candidates working in the Research Centres of Regional and National Research Laboratories / Institutions / Organizations / Industries / Colleges has to be paid to Bharathidasan University.

4.5 Committee for awarding recognition

The University will get these institutions mentioned in 4.2 and 4.3, assessed through a committee before awarding the recognition. The committee must also recommend the number of Ph.D. candidates to be admitted based on the infrastructural facilities available including the conduct of the course-work in the centre / department.

5.0 ADMISSION PROCESS

5.1 Constitution of departmental research committee (DRC)

Departmental Research Committee (DRC) is constituted for an effective coordination of the Ph.D. research activities of the departments including admission of Ph.D. candidates as per the university regulations and maintenance of the quality of research. **5.1.1** Faculty Members who have been recognized as

Research Supervisors by the University shall be the members of the Departmental Research Committee (DRC). The constitution of the departmental research committee should consist of a minimum 3 members. If it is less than 3 members, faculty from nearby research centres in the same discipline or principal may be included.

- 5.1.2** If the Head of the Department is a recognized Research Supervisor, he/she shall be the coordinator of the DRC.
- 5.1.3** If the Head of the Department is not a recognized Research Supervisor, then the senior most faculty member having Research Advisership in the Department shall be the Coordinator of the DRC.
- 5.1.4** If there are any issues either in the constitution or functioning of the Departmental Research Committee, then it shall be brought to the notice of the University administration and the decision of the Vice-Chancellor shall be final.
- 5.1.5** In case of inter-disciplinary research, the Supervisor shall conduct the DRC in his/her own department with a co-guide, who will perform inter-disciplinary work.
- 5.1.6** The Departmental Research Committee shall approve and recommend the proposal.

5.2 General procedure for admission and provisional registration

- 5.2.1. (i) (a)** For the admission and registration into the Ph.D. research programme under the category mentioned in 1.2, the candidate shall submit the application form along with a brief research proposal (See **Annexure-I**), experience certificate, if any and research publications, if any to the concerned Departments of the University or the concerned college, as the case may be.

(i) (b) The Research Supervisor shall strictly ensure that the Research Proposal is free from any sort of errors including language errors (Grammar, Vocabulary, Spelling, Punctuation etc.,)

University has the right to take action if such shortcomings are found.

Repeated perpetuation of the above kind of shortcomings will be seriously viewed by the University.

(ii) Provisional Registration Order will be issued from the date of DRC meeting conducted in the Research Centres subject to the following:

(i) Candidates should submit the hard copy of the application as per the template given on the University Website, after uploading all the relevant documents through online, to the University in-person within 5 days from the date of the DRC meeting.

(ii) If any queries found in the submitted application, it will be sent back to the candidate for making necessary corrections and resubmission.

(iii) The corrected documents should be resubmitted within 7 days, both online and in hard copy. If not submitted in due time, the application will be rejected.

(iii) The Supervisor (Co-supervisor, if present) and the candidate must ensure that the application is complete and all the necessary documents are enclosed before submitting the application. Original P.G. Degree Certificate is to be submitted by the student at the time of synopsis submission for verification purposes.

(iv) Applications submitted without enclosing any necessary documents will not be accepted. No interim correspondence will be made.

5.2.2 Selection Procedure for Provisional Admission and Registration

The selection of candidates for provisional admission and registration shall be based on the following procedures:

- i. Candidates will be admitted to the Ph.D. Programme based on their performance in the Entrance Examination comprising a Written Test and an Interview, adhering to the reservation norms of the Government of Tamil Nadu. Candidates who secure 50% marks in the Written Test will be called for an Interview at a later date. The selection will be based on the Written Test with a weightage of 70% and a weightage of 30% for the performance in the Interview. A relaxation of 5% marks will be allowed in the Entrance Examinations for the Candidates belonging to BC/MBC/DNC/SC/ST/ and Differently-abled categories.

- ii. Candidates who have qualified in UGC-NET (including JRF), UGC-CSIR NET (including JRF), SLET and SET are exempted from taking the University Ph.D. Eligibility Entrance Examination
- iii. Qualified Candidates from other States seeking Ph.D. admission must submit an Eligibility Certificate issued by Bharathidasan University.
- iv. All other candidates should appear for the University Ph.D. Entrance test.
- v. The eligible candidates shall approach the Research Supervisors from the subject concerned and forward the Ph.D. admission application through them.
- vi. The Bharathidasan University eligibility certificate from the Ph.D. entrance test is valid for 5 years.
- vii. The "Minutes of the Departmental Research Committee" should certify to the effect that the selected topic for research is not a repetition of the earlier research works and recommends the proposal and the subject concerned.

5.2.3 A candidate, who seeks admission to Ph.D. programmes under Foreign/NRI category, is required to write an online entrance examination and has to follow other procedures mentioned in 2.1, 2.2 and 5.2.

5.3 Research in inter-disciplinary

Candidates shall normally be eligible for registration for Ph.D. Programme in the discipline in which he / she has obtained Master's Degree. He / She shall be allowed to join for Ph.D. programme only in that Department which is named after the subject of his / her Master's degree. It shall, however, be open to a candidate to apply for admission to a doctoral programme in another discipline related to the subject in which he / she has obtained Master's degree. When the candidate registers for a Ph.D. in a discipline different from his / her Master's degree, the candidate would be given a Ph.D. Degree as decided by the Departmental Research Committee at the time of Registration.

5.3.1 In the case of inter-disciplinary nature of research, the Ph.D. degree be awarded in the PG subject of the student along with the inter-disciplinary subject which

must be recommended by the DRC based on the request of the Candidate and the Supervisor at the time of registration and further certified by the Doctoral Committee at the time of synopsis presentation.

5.4 The blood related candidate with Research Supervisor or Co-supervisor is not allowed. The registration of the candidate will be cancelled if found later.

5.5 A scholar provisionally registered for the Ph.D. degree should not register for any other degree in any University either in formal programme or non-formal programme. However, the scholars can register for not more than two certificate / diploma programmes of one year duration through correspondence streams of any University.

6.0 REGISTRATION DATE

Candidates, interested in the Ph.D. program of Bharathidasan University, are allowed to submit the online application for provisional registration any time during the year.

7.0 MONITORING

7.1 Doctoral committee

Two members for the Doctoral Committee (DC) will be recommended by the Research Supervisor for the approval of the University in order to confirm the provisional registration. The blood related candidate with a Doctoral Committee member is not allowed.

Doctoral Committee Meeting must be conducted only for scholars who have no fee dues to the University.

7.1.1 Full-time & Part-time research candidates

The Doctoral Committee, approved by the University for the above two categories of scholars, will have a composition of three members as given below.

(i) Research Supervisor – Convenor of the Doctoral Committee

(ii) The DC members should be the Recognized Research Supervisors of Bharathidasan University. If the DC members are not available within Bharathidasan University jurisdiction, DC members will be recommended by the

Research Supervisor from nearest Universities, Centres and Institutions of Bharathidasan University.

(iii) Part-time candidates working in an institution outside Tamil Nadu who has registered for his / her Ph.D. with a Supervisor working in an institution which is not recognized as a research centre, then both Co-supervisors will be the additional members of the DC.

(iv) The first time, only one DC Member change is permitted but for the second time changes onward require an amount of Rs. 500/- to be paid for each DC Member.

7.2 Course-work for Ph.D. candidates

Both Full-time and Part-time candidates shall undergo Ph.D. Course-Work after provisional registration, as a part of Ph.D. programme in the first year. The course-work should be treated as pre-Ph.D. preparation. The Ph.D. candidates registered under the Faculty of Arts, Science and Humanities, Engineering must undergo Courses as given below:

Course-work papers for both Full-time and Part-time candidates		
Post-Graduate candidates without M.Phil. Degree	Course I : Research methodology	4 Credits
	Course II : Research and Publication Ethics	2 Credits
	Course III : Core area of research	4 Credits
	Course IV : Related area to support the research	4 Credits
Post-Graduate candidates with M.Phil. Degree	Course I : Research and Publication Ethics	2 Credits
	Course II : Core area of research	4 Credits
	Course III : Related area to support the research	4 Credits
Faculty of Engineering and Technology candidates (only courses offered by Bharathidasan University)	Course I : Research methodology	4 Credits
	Course II : Research and Publication Ethics	2 Credits
	Course III : Core area of research	4 Credits
	Course IV : Core area of research	4 Credits
	Course V : Related area to support the research	4 Credits

The research candidates must complete their course-work papers within a period of 12 months from their Ph.D. provisional registration date. The research scholars

BDU - Ph.D. Regulations – 2026

must complete the course-work requirements normally from 6 months to 1 year to pursue their Ph.D. research work.

The Ph.D. registration shall be confirmed only after the completion of the Ph.D. Course-work. Failure to complete the Course-work within the stipulated period shall entail automatic cancellation of registration. The Course-work shall be evaluated for 100 marks with 25% internal and 75% external mark ratio, as per the M.Phil. regulations. The conduct of Course-work paper and question pattern may be followed according to M.Phil. degree regulations. Some of the Course-work papers may be of 'self-study' nature.

These course-work papers must be decided by the Doctoral committee based on the level of knowledge of the scholar in the area of research. The concerned Research Advisor shall set the question paper, conduct examinations, evaluate, prepare a mark statement and send all the originals to the Controller of Examinations in a sealed cover mentioning "Course-work Confidential." The research candidate shall have to pay a fee of Rs. 500/- in favour of "Bharathidasan University, Tiruchirappalli" towards the cost of the Statement of Marks.

The following documents are to be sent to The Controller of Examinations of Bharathidasan University by the concerned Research Supervisor:

- (i) Rs.500/- (online payment / demand draft)
- (ii) Question papers
- (iii) Original evaluated answer scripts
- (iv) Mark statement having internal (25), external (75) and total (100)
- (v) Syllabus

The minimum number of Doctoral Committee meetings shall be conducted as given in the following table:

Doctoral committee meeting schedule, minimum requirements	
DC Meeting 1	Within 6 months from the Provisional Registration date
DC Meeting 2	Within 6 months from the completion of Course-Work and completion of 50% of minimum period to confirm the registration
DC Meeting 3	During submission of synopsis

The TA/DA and sitting fee shall be paid to the Doctoral Committee members by the respective Institution as per the Institution norms. Doctoral Committee members must ensure that the Synopsis is free of errors of any sort. It must meet the requirements of standard practices such as adherence to Research Ethics, Originality and Publications in the journal of Long-time reputation, etc.

7.2.1 Conduct of course-work examinations

The Research Supervisor shall conduct the course-work examinations, and the Head of the Department or the College Principal shall extend full support for conducting the course-work examinations.

7.2.2 Presentation of broad area of research

The research scholars belonging to all two categories mentioned in 1.2 will present their broad area of research and submit the proposal to the Doctoral Committee within six months from the date of grant of provisional registration by the University to decide the course-work.

7.2.3 Submission of yearly progress reports

All Ph.D. candidates are required to Submit /Upload a progress report to the University twice in a year. The Report can be uploaded on an annual basis in the prescribed format (see **Annexure - II**) and the same shall be forwarded by the Supervisor.

7.2.4 Presentation of progress report

After completion of 50% of the minimum period, as the case may be, the scholars must present themselves before Doctoral Committee constituted for the purpose of confirmation along with their overall progress report and the results of the course-work for assessment by the Doctoral Committee and then a report will be forwarded to the University by the Doctoral Committee. On the basis of this progress report and the recommendations of the Doctoral Committee, the Provisional Registration of the scholars will be confirmed (Failure to present before the Doctoral Committee within the above mentioned period shall entail automatic cancellation of registration). For those who undergo course-work and fail to complete the course-work within 1 year and the Doctoral Committee may

recommend for an extension of period of six months, if the Doctoral Committee is convinced of their performance, if not, the Doctoral Committee may recommend for cancelling the registration.

When a Research Scholar is not recommended by the Doctoral Committee for confirmation of Registration at the end of the presentation of his / her progress report, the Research Scholar should continue to pursue research for a further period not exceeding six months at the end of which the Research Scholar shall present himself / herself along with another progress report for assessment by the Doctoral Committee again. If found fit, the Doctoral Committee will recommend along with the progress report to the University, for confirmation of the Provisional Registration. On this basis, the University will confirm the Provisional Registration and permit the candidate to proceed with his / her research. A Research Scholar who is not recommended second time by the Doctoral Committee, shall not be permitted to continue his / her research and his / her Provisional Registration shall be cancelled (Failure to present before the Doctoral Committee within the above mentioned period shall entail automatic cancellation of registration).

- 7.2.5** During the course of the research period, for reasons approved by the Research Supervisor, a candidate may be permitted to spend not more than ONE YEAR in an institution (including foreign countries) outside the present research institution where the scholar is doing research, on a research project approved for the purpose, for carrying out investigation / research related to the subject of Ph.D. work.
- 7.2.6** In subjects other than languages, based on the nature of the research, the Doctoral Committee (DC) shall recommend whether the course-work, synopsis and thesis could be submitted in Tamil. This is subject to the approval of the Vice-Chancellor. Such recommendations should be submitted well in advance so as to enable the researchers to write their course-works also in Tamil.
- 7.2.7** The part-time candidates are required to have minimum 30 contact days in each year of his/her Ph.D. programme directly under the Research Supervisor in one

or more spells and the department / centre should maintain an attendance register for this purpose.

8.0 DURATION OF RESEARCH

8.1(a) For Full-time Scholars from the date of provisional registration:

S. No.	Post-Graduation Degree	Minimum Years	Maximum Years	Extension	Re-registration
1.	M.A. / M.Sc. / M.Com. / M.C.A. / M.B.A / M.Ed. / CA / CFA	3	5	1 Year	2 Years
2.	M.A. / M.Sc. with M.Phil. or M.Tech. (For Programmes offered by Bharathidasan University)	2	4	2 Years	2 Years
3.	M.E. / M.Tech. (For Programmes offered by Bharathidasan University)	2	4	2 Years	2 Years

8.1(b) For Part-time Scholars from the date of provisional registration :

S. No	Post-Graduation Degree	Minimum Years	Maximum Years	Extension	Re-registration
1.	M.A. / M.Sc. / M.Com. / M.C.A. / M.B.A M.Ed. / CA / CFA	4	6	Not Applicable	2 Years
2.	M.A. / M.Sc. with M.Phil. or M.Tech. (For Programmes offered by Bharathidasan University)	3	5	1 Year	2 Years
3.	M.E. / M.Tech. (For Programmes offered by Bharathidasan University)	3	5	1 Year	2 Years

8.2 Extension

Generally, extension is provided for a period of one year/two years and it is applicable only for those scholars who have obtained their Ph.D. confirmation order. After the Ph.D. registration period as given in Table 8.1, extensions will be given to the Candidates based on the recommendations of their Doctoral Committees along with the Extension and Annual Fees. The request for such extensions should be routed through the proper channel at least two months prior to the expiry of the stipulated period. If the Candidates apply for the

extension with confirmation orders after the maximum period, extension will be given after remitting Revival Fee of Rs. 2,000/- per year (US\$ 100 per year for NRI/Foreign Students) along with the Extension fee of Rs. 5,000/- per year (US\$ 200 per year for NRI/Foreign Students). As a special case, women Candidates for Maternity/Child-care period and persons with disability of more than 40% are allowed to apply for a maximum of two year period of extension by providing Relevant Authenticated Medical / Disability Certificates with the Extension and Annual Fees.

Note: The extension will apply only to fresh registrations starting from 1st January 2025 and will not be applicable to Candidates registered up to 31st December 2024.

8.3 Re-registration

The re-registration period is for two years. The Ph.D. Candidates, who could not submit their Ph.D. thesis after all the above Extension periods (if applicable), will be given a one-time chance to Re-register for Ph.D. by remitting the prescribed fee, provided they continue on the same topic under the same Supervisor. Re-registration of Ph.D. Programme is offered through a request from Ph.D. Scholar for a maximum of two (2) years after obtaining the approval from the Vice Chancellor. They must apply for re-registration at least two months prior to the expiry of the stipulated period. These re-registered Candidates are permitted to submit their synopsis and thesis together after a period of three months. The re-registered Candidates will continue to be governed by the same regulations under which they have been previously registered. However, the fees must be paid as per the regulations in force.

Note: The Re-Registration will apply only to fresh registrations starting from 1st January 2025 and will not be applicable to Candidates registered to 31st December 2024.

8.4 Special extension

The Ph.D. candidates who were unable to complete their thesis within the re-registration period due to extraordinary circumstances may apply through the appropriate channels for an extension of one year with a remittance of Rs. 30,000/- (\$1000 for NRIs/foreigners). This type of special extension is normally

granted for a period of one year after the deadline for submitting the thesis. In such cases, the application is forwarded to the Vice-Chancellor, who makes the final decision. A Ph.D. registration will be automatically cancelled if the thesis is not submitted within the special extension period.

Note: This special extension will apply only to candidates who have registered for their Ph.D. after January 2026.

8.5 Publication of research papers by the Ph.D. candidates

Candidates (both full-time and part-time) shall be permitted to submit their synopsis provided that they have published at least two research articles as the first author, along with the name of the Supervisor(s) (specifically relevant to their area of research).

(i) For Science, Engineering and Technology Candidates: (Under the Faculty of Science)

Candidates must have published at least two research articles as first authors (specifically relevant to their area of research) in Web of Science or Scopus. Journal Publications must be made available during the verification process conducted by the University Publication Verification Committee.

(ii) For Arts/Languages/Commerce/Management Candidates:

They must have published a minimum of two research articles as follows:

(a) The first author of at least one Research Article (specific to their area of research) in Web of Science, Scopus, DOAJ, ERIC, and ABDC. The Journal Publications shall be made available at the time of the University Publication Verification Committee's verification process.

(b) If the researcher publishes only one research article as specified in clause (a), an additional research article shall be published as first author in a peer-reviewed journal with continuous publication that complies with the UGC suggestive parameters (minimum of 20 parameters) – Annexure – I

iii) For Indian and Foreign Languages (Tamil, Sanskrit, Hindi, French, and Arabic only):

Ph.D. candidates must have published at least two research articles as First Author, specifically relevant to their area of research, in Peer-reviewed journals with a minimum of ten years of archival records and continuous publication shall comply with the UGC suggestive parameters (minimum of 20 parameters) (Annexure-I).

Note: Research publications in inter-disciplinary, multi-disciplinary, and transdisciplinary journals shall also be considered valid for Arts/ Languages/ Commerce/ Management subjects for the purpose of submission of Ph.D. synopsis and thesis.

Additionally, the Doctoral Committee must ensure that:

- a) All research publications from Bharathidasan University and its Affiliated Colleges state the name of the candidate and Supervisor.
- b) At the time of journal verification, the journal's coverage must be actively indexed and not discontinued in the respective database.
- c) Bharathidasan University's affiliation needs to be included in all Research Publications originating from Affiliated Colleges and Research Institutes as: "Affiliated to Bharathidasan University".
- d) Publications in discontinued journals, cloned journals, predatory journals, or dubious journals will not be considered, as will presentations in predatory or dubious conferences
- e) The synopsis needs to be submitted along with the Certificate for Research Publications issued by the Research Section, Bharathidasan University
- f) Registration must be active and the candidate must have paid all research fees before submitting an application for the Certificate for Research Publication. Publication verification will not be considered for applications with overdue fees.

8.6 Change of topic of research

During the time of registration, the candidates generally register their Ph.D. under a Broad Area of Research and the specific title shall be suggested by the Doctoral Committee in the consequent meetings. However, the title finalized at the time of synopsis presentation will be considered final. Request for the title

correction after synopsis submission shall be submitted along with the recommendations of the Doctoral Committee with the prescribed fee. Such requests shall be permitted only once.

In general, change of subject / discipline will not be permitted. However, the change of subject / discipline requests must be submitted with the recommendations of the Doctoral Committee. In such a case, DC minutes must include whether the Supervisor and the Course-work undertaken by the candidate are relevant to the subject / discipline, which has to be changed. The Vice-Chancellor's decision is final, in this regard.

9.0 SUBMISSION OF SYNOPSIS

9.1 The candidate whose registration has been confirmed, and who has completed the research work can submit the Synopsis 3 months before the completion of the minimum period. Before the submission of synopsis/thesis, the Ph.D. candidate shall have a pre-thesis submission presentation in the department in the presence of the Doctoral Committee members, faculty members and research scholars at a seminar to get feedback and comments, which may be suitably incorporated into the draft thesis under the advice of the Supervisor.

The Research Supervisor shall strictly ensure that the Synopsis and Thesis are free from any sort of errors, including language errors.

9.2 The “Synopsis” or “Synopsis and Thesis” along with Panels of Examiners (for both Evaluation and Viva-Voce) shall be submitted together in person after completion of minimum period. The candidate shall submit Thesis within 6 months from the date of submission of Synopsis. After this period (6 months), the candidate has to re-do the Synopsis Seminar and resubmit the Revised Synopsis with the admissible fees within one year. Failing to submit after this period (one year), Ph.D. Registration gets auto-cancelled. The cancellation may be revoked by paying the Revocation Fee of Rs. 40,000/- + GST

The synopsis should include the following components in 7-10 pages only:

- a. Title of the thesis
- b. State of the art of the research topic

- c. Definition of the problem / Objectives and scope of research work
- d. Results and discussion
- e. Conclusion

Copies of articles published as mentioned in 8.5

The candidate shall submit two copies of the synopsis of the proposed thesis along with a soft copy in PDF format on a CD. The Research Supervisor needs to submit the panel of examiners (see 11.0) in a sealed cover to adjudicate the thesis. The duly filled-in synopsis application form should be forwarded by the Head of the Department/Institution/Organization, as the case may be.

- 9.3 Then submit the synopsis within 15 days from the date of presentation along with signatures of attendees to The Director-Research, Ph.D. Section.
- 9.4 The synopsis will not be accepted if it does not fulfill the above requirements. In such cases, synopsis will be returned to the candidate.

10.0 SUBMISSION OF THESIS

- 10.1 The thesis shall be submitted only after the completion of the minimum period of registration and not later than six months from the date of synopsis submission. If a candidate submits the synopsis three months prior to the completion of the minimum period, he/she can submit the thesis after completing the minimum period but within six months from the date of synopsis submission. In such cases, the candidate shall keep the registration active by paying the annual fee for the subsequent year before submitting the thesis.

Candidates shall submit four copies of the thesis (soft binding) in person, along with a virus-free softcopy as a single file having a maximum of 20MB on a CD only in PDF format. Thesis shall not exceed 300 pages, including appendix, tables, figures etc.

Thesis must be signed by the Research Supervisor and Co-supervisor (if any) and the Thesis submission form should be duly forwarded by the Head of the Department /Institution/Organization, as the case may be.

The Research Supervisor shall strictly ensure that the Synopsis and Thesis are free from any sort of errors including language errors.

Thesis format:

GUIDELINES TO PREPARE DOCTORAL THESIS – 2025 (See Annexure III-VII)

10.2 The Ph.D. synopsis and thesis shall be submitted in English language. In the case of certain Research works, particularly in the discipline of History, with the area of study within Tamil Nadu, a prior recommendation of the Departmental Research Committee is needed at the time of Registration itself to submit the Synopsis and Thesis in Tamil language. Of course, the Examiners should know the Tamil language.

10.3 Certificates of research work

Every thesis shall contain Certificate of Supervisor(s), Declaration of Candidate, Plagiarism-free and Tamil Virtual Academy certificates. The Plagiarism Check Certificate should be certified by the Librarian of Central Library of Bharathidasan University after checking in the Drillbit Software and also signed by the Supervisor (Co-supervisor, if included in the Ph.D. registration) and the similarity shall not exceed 10% excluding Own publications and the List of References. (The link for the 'certificate formats', is available on the Research Section webpage) Each doctoral research scholar is required to submit to the "Tamil Virtual Academy (தமிழ் இணையக் கல்விக்கழகம்), Anna University Campus, Gandhi Mandapam Road, Kottur Chennai 600 025" (Website link: tamilvu.org) both Tamil and English Versions (English Version is not applicable for theses submitted in Tamil) of (a) Abstract of the Thesis and (b) Index of key terms (கலைச்சொற்கள்) and attach a Certificate issued by Tamil Virtual Academy at the time of thesis submission to the University.

11.0 PANEL OF EXAMINERS

11.1 A panel of six external examiners, from India and abroad, shall be provided by the Research Supervisor at the time of synopsis submission for adjudication. The examiners must hold the rank of Associate Professor or above, or possess at least 12 years of teaching or research experience. Faculty profile links from the institutional website, clearly indicating years of experience, must be enclosed.

In cases where two or more theses are submitted simultaneously or within a period of six months, the Research Supervisor shall provide a completely different panel of examiners for each candidate.

Plurality of the Examiners in terms of Designation, Institution Type, Nationality in the Panel of Examiners is expected from the Research Supervisor.

- a) The panel of Indian Examiners shall contain Three Examiners from three different States or Union Territories other than Tamil Nadu.
- b) Foreign Examiners Panel shall consist of Three Examiners, with not more than one examiner from the same country.

However, for Tamil Language or other subjects submitted in Tamil (as indicated in 10.2), the Research Supervisor shall recommend a panel of Six examiners, three from Tamil Nadu (other than Bharathidasan University jurisdiction) and three from the rest of India / rest of the world.

11.2 The Research Supervisor shall submit the different categories (that is 11.1 (a) and (b)) of the Panel of Examiners with the complete address including designation, email id, mobile and office numbers. The Research Supervisor is responsible for any errors found in the Panel details. Except for the Viva-Voce Panel, all other Panels of Examiners shall be submitted with the print out of the E-Mail Acceptance of all examiners. A web- downloadable template for providing a short bio-data for each examiner needs to be filled and submitted by the Research Supervisor along with the Panel. After exhausting the first additional panel, the University will evaluate the Thesis using the University Evaluation Panel which will be created with the help of the Committee constituted by the Vice-Chancellor, for each candidate.

12.0 ADJUDICATION OF THE THESIS

12.1 The thesis shall be referred by the University for Evaluation to a Board of Examiners, consisting of 3 experts; One from 11.1a; Second from 11.1b; Third from Research Supervisor.

- 12.2** As soon as the synopsis and panel of examiners are received, the University shall take steps to fix the board of examiners before the submission of thesis, after due verification of the fulfilment of research papers published as per the provisions in the Ph.D. Regulation 8.5.
- 12.3** Each examiner appointed by the University to adjudicate the thesis shall be requested to send his / her report within 30 days from the date of receipt of thesis to The Director-Research.
- 12.4** The report of the examiner should include:
- A critical assessment highlighting objectives, merits and demerits of the thesis
 - A definite recommendation for the thesis attains the standard for Ph.D. degree or not
 - Questions/clarifications to be raised at the viva-voce examination.
 - "CHECK - SHEET" provided by the University duly completed and signed.
 - For the subjects of Arabic, Sanskrit and French, the evaluation report of the Ph.D. Thesis should be submitted by all the Examiners in English and as well as in the respective language.
- 12.5** If all three examiners have recommended for the award of Ph.D. Degree, the candidate shall be permitted to take the viva-voce examination.
- 12.6** External examiners and the Supervisor will receive the Honorarium of Rs. 1000/-
- 12.7** If one examiner gives the recommendation against the award of Ph.D. Degree, then the thesis will be referred to an additional examiner (fourth examiner) for adjudication.
- 12.8** If two examiners give the recommendation against the award of Ph.D. Degree, then the thesis will be rejected.

13.0 PUBLIC VIVA-VOCE EXAMINATION

- 13.1** A public viva-voce shall be arranged when all three examiners who adjudicated the thesis have recommended for the award of Ph.D. Degree.
- 13.2** The public viva-voce shall be conducted only in the research centre mentioned in 1.1, where the Registered Candidate has carried out his / her Ph.D. research

work. The Viva-Voce shall be conducted within the period of 15th to 60th day from the date of Viva-voce Examiner letter from the University.

- 13.3** The Research Supervisor shall submit a Panel of three (3) Examiners for the Viva-Voce within Tamil Nadu (but Outside Bharathidasan University area) at the time of the Synopsis submission. However, the University may seek a fresh panel of examiners, if required. The University will pay the Viva-Voce Examiner's TA/DA (Second AC).

[Avoid Examiners from Pondicherry University Area as they are considered as Outside Tamil Nadu and included for Valuation of the Thesis.]

- 13.4** External examiner and the Supervisor will receive the Honorarium of Rs. 750/- for viva-voce examination.

- 13.5** The viva-voce shall primarily be designed to test the understanding of the scholar on the subject matter of the thesis and the competence in the general field of study. The scholar shall be asked to make a brief presentation before the audience and when all the questions raised by the examiners and the audience are answered.

- 13.6** A pass in the viva-voce is compulsory. If a scholar fails in the viva-voce examination, he / she shall be allowed to re-appear after 3 months from the date of first viva-voce before a panel constituted for this purpose by the Vice-Chancellor. If he / she fails again, his / her candidature for Ph.D. Degree will be rejected.

14.0 CONSOLIDATED RECOMMENDATION

If the candidate passes the viva-voce examination, then the two-member board shall consolidate the recommendations for the award of Ph.D. Degree based on the reports of three examiners who adjudicated the thesis. For placing the thesis under the "Highly Commended" category, it should have been placed by all three examiners.

The two-member board shall then forward its consolidated recommendations with the classification "Highly Commended / Commended" to The Director-Research, along with other documents as may be required by the University for

its consideration. The consolidated recommendation will be placed before the Syndicate for approval. The Ph.D. degree for the candidates approved by the Syndicate will be awarded at the Convocation either in person or in absentia, with the Mode of Study as Full Time or Part Time distinctly mentioned.

15.0 FORM OF RESEARCH DEGREE

The Ph.D. degree will be awarded only in the discipline of the subject in which the candidate has registered for the Ph.D. and for the inter-disciplinary subjects as mentioned in 5.3.1. Ph.D. Degree will be awarded in accordance with the minimum standards and procedure of the regulations of the University Grants Commission 2022.

16.0 PUBLICATION OF THESIS

The Candidate has to obtain the necessary permission from the University to publish his / her thesis work as a whole or in parts. A fee payment of Rs. 10,000/-, in D.D./Online, along with the Requisition Letter, is required. Two copies of the published thesis as a Book should be submitted to the Research Section.

- a. A thesis, whether approved or not, shall not be published in full without the permission of the Syndicate, and the Syndicate may grant permission for the Publication under certain conditions as may be imposed.
- b. A Candidate may, during the course of his / her Research, publish Papers in standard Research Journals as advised by his / her Supervisor, but the thesis as a whole shall not be published without obtaining permission from the Syndicate mentioned supra.
- c. The Research Supervisor is required to submit a certificate and undertaking, along with the Viva-Voce Report, regarding the suitability of the thesis for Publication by the Candidate, in the following format:

CERTIFICATE BY RESEARCH SUPERVISOR(S)

This is to certify that in the thesis entitled “_____” submitted by “_____” all the corrections/modifications suggested by the examiner (s) have been incorporated and the thesis does not have any objectionable (Political/Personal/Government/Communal/Cultural Etc.) material. Hence, the thesis is fit for Publication, if the Candidate desires.

Research Supervisor(s)

UNDERTAKING BY RESEARCH SUPERVISOR(S) AND RESEARCH SCHOLAR

We the undersigned, jointly and severally, assume full responsibility and are solely accountable for addressing and resolving issues that might arise as to any Objectionable Content, Intellectual Property, Copyright, and/or Self-Plagiarism issues arising from the Publication of this thesis.

(Research Scholar)

Research Supervisor(s)

17.0 RESEARCH SCHOLARS TO TRAVEL ABROAD FOR THEIR RESEARCH ACTIVITIES

A Research scholar during his/her Ph.D. tenure may visit abroad for a maximum period of one year to pursue Research activities and internships or to attend conferences and workshops. The visit may be taken either in one spell or by breaking into multiple spells without exceeding one year. The Scholar should obtain prior approval from the Head of Bharathidasan University, adopting due process.

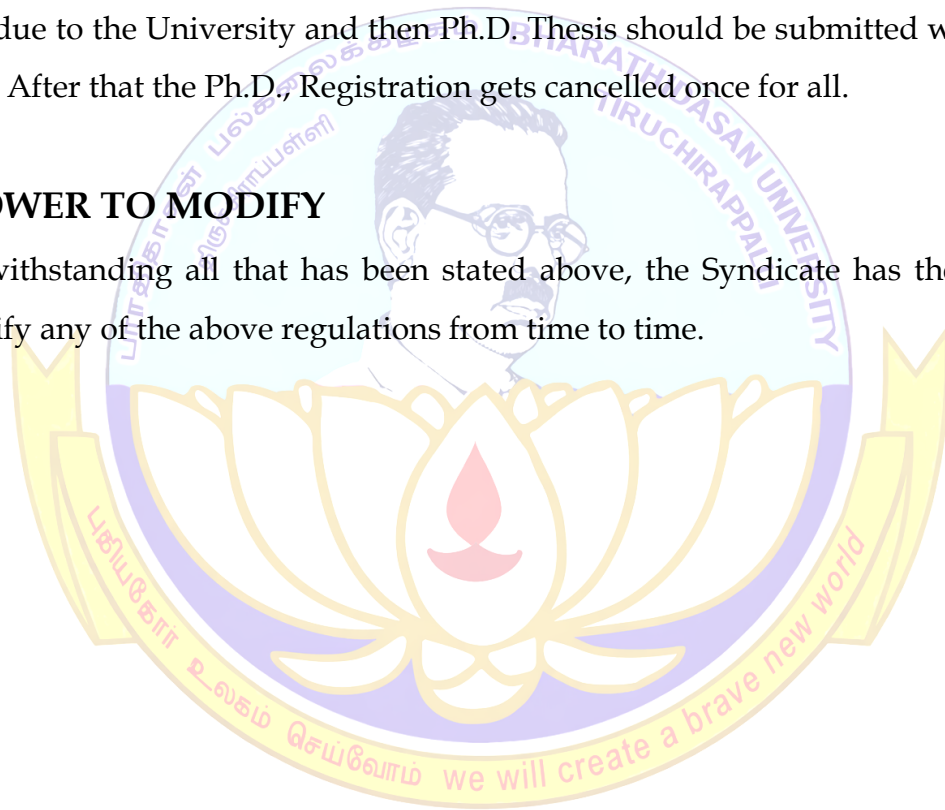

18.0 REVOCATION OF CANCELLATION AND ONCE FOR ALL CANCELLATION OF REGISTRATION

The requests for the revocation of Ph.D. registration may be submitted either by the research Supervisor or by the Candidate. However, the final decision rests with the university. Such a request has to be forwarded only through the Head / Principal of the research centre / college.

The cancellation (without confirmation after completion of maximum period) may be revoked upon paying the Revoke Fee of Rs. 40,000/- along with research fees due to the University and then Ph.D. Thesis should be submitted within one year. After that the Ph.D., Registration gets cancelled once for all.

19.0 POWER TO MODIFY

Notwithstanding all that has been stated above, the Syndicate has the right to modify any of the above regulations from time to time.
