## **Annual Report (2015-16)** **Activities of the Placement & Training Cell (PTC)** **and** **Career & Counselling Cell (CCC)**

### **Establishment of the Career & Counselling Cell (CCC)**

As per the UGC XII Plan Guidelines, Bharathidasan University established the Career and Counselling Cell (CCC) on 9<sup>th</sup> January, 2016 marked with a Job Fair. The Vice-Chancellor Dr. V.M. Muthukumar inaugurated the Career and Counselling Cell and Job Fair. In the inaugural address, the Vice-Chancellor observed that the students should develop self-confidence and determination citing the life of the renowned Scientist Stephen Hawking. He said that the University is providing various facilities to students from all walks of life to equip skills at its City Campus, like library, IECD, Placement and Training Cell and Career and Counselling Cell. Later he released the User Names and Passwords to 60 students selected to take-up continuous online aptitude test arranged by the Placement and Training Cell. He also gave away certificates to the I Year MCA students of the Department of Computer Science, Bharathidasan University, who successfully completed the Soft Skills – Effective English Communication Course during the previous semester. Speaking to the students Mr. P. Manoharan, AGM, BHEL, (Logistics) observed that students take up any challenge boldly to achieve success in life. He interacted with students later and shared personal anecdotes. Dr. R. Mangaleswaran, Syndicate Member, Bharathidasan University, Dr. Gopinath Ganapathy, Director, Bharathidasan University Technology Park and Dr. N. Prasanna, Co-ordinator, PTC and CCC also spoke.

## **Programmes and Workshops Organised**

### **Crash Course on Spoken English and Personality Development**

As this is a rare opportunity for the Tamil Post Graduate candidates, the Placement and Training Cell, Bharathidasan University took-up the responsibility of providing training to the shortlisted candidates, without any fees, in order to improve their spoken English and personality with a three day Crash Course on Spoken English and Personality Development (8<sup>th</sup> – 10<sup>th</sup> July, 2015). Orientation regarding the IELTS was also provided to the participants. This course specifically aimed to help the shortlisted candidates in facing the further selection processes. Moreover, the course also aimed to impart soft skills to students who need these skills during the process of any interview. As the course was also open to the students of Bharathidasan University many students from different departments registered for the course. Totally, 213 students registered for the course. Due to the overwhelming response, the course was conducted in two batches.

The Hon'ble Vice-Chancellor of Bharathidasan University inaugurated the course and observed that the knowledge of the English language is very important. He stressed the importance of reading newspapers to learn the language in terms of improving vocabulary. He pointed out that watching news shows in English would improve the pronunciation and articulation. He also spoke about the significance of personality and observed that personality is not about appearance citing the example of the IAS topper Ms. Ira Singhal. He cited various other personalities from whom inspiration should be taken for building one's personality.

### **Soft Skills – Effective English Communication**

In general there seems to be some lacuna among the students with respect to communicating in English, which is an essential requirement for securing any job opportunity. To overcome this lacuna, the Placement and Training Cell (PTC) in collaboration with the University Business Collaboration Centre (UBCC), conducted a Course entitled, "Soft Skills – Effective English Communication", intertwined with the regular course that the students undergo in their respective Departments. On a pilot basis, the first course was inducted in the Department of Computer Science for the I Year MCA students, during the Odd Semester (2015-16). The course spanned throughout the semester and engaged the students with resource persons who

came from both academia and industry. The inauguration of the Course was held on 18<sup>th</sup> August, 2015 at the BUTP Auditorium, Bharathidasan University, Khajamalai Campus, Tiruchirappalli – 23. Simultaneously the inauguration of a one day workshop on Personality Development and Interview Etiquettes for the III Year MCA and V Year M.Tech students was also held.

Dr. N. Prasanna, Co-ordinator, Placement and Training Cell, stressed on the need for such programmes and said that if this initiative was successful, then it would be extended to other Departments and Colleges in the future. Dr. Gopinath Ganapathy, Co-ordinator, UBCC and Director, BUTP brought to light the importance of soft skills and said that Bharathidasan University was the first to introduce soft skills programmes about ten years back. He also said that this initiative had been taken to introduce soft skills components in the students' curriculum. Dr. S. Iyyampillai, Senior Professor of Economics and Principal i/c, Bharathidasan University Constituent College, Inamkulathur released the course material and delivered the inaugural address. In his address he said that soft skills were taught and learnt in families in the past, when families were large. Nowadays families were shrinking and such opportunities have been lost. Hence, it is the duty of the teachers and educational institutions to take up this responsibility. In his address, he highlighted the significance of learning the structure of the language in order to master it. Mr. K. Thaniarasu, HR Trainer, Govt. Industrial Training Institute, Thiruvermbur and A. Ebenezer Raja, Assistant Professor, Department of Management Studies, Bishop Heber College, Trichy participated as resource persons for the course and the workshop. Dr. M. Govindarajan, Assistant Professor of Computer Science proposed the vote of thanks. 87 students participated in this event.

### **Workshop on Android Software Development**

Android is one of the most popular operating systems for smart phones and tablets. The user base of android applications is also vast compared to other software applications. It is an open source operating system, based on the Linux kernel created by Google. Due to the open nature of Android, a number of third-party application market places exist for Android. Android application development professionals can make their choices to create mobile applications as per their revenue models. So, Android Programming is growing day by day. Students with some background of programming can easily acquire the skills of Android Programming and can secure productive jobs or can start off on their own. In this direction the Placement and Training Cell, University Business Collaboration Centre, Bharathidasan University Technology Park (BUTP), Bharathidasan University and eQuadriga Software Private Limited, Trichy jointly organized a Free One Day workshop on “Android Application Development” on 22<sup>nd</sup> March 2016 at the BUTP Auditorium, Kajamalai Campus, Bharathidasan University for the benefit of the students.

Totally, 96 students and faculty members of MCA / B.Tech / M.Tech / CSE / IT disciplines from the University and various colleges such as St.Joseph's College, Jamal Mohammed College, Bishop Herber College, Indira Gandhi College, BDU Constituent College – Orathanadu and Perambalur and Srimad Andavan College participated in the workshop. Dr. N. Prasanna, Co-ordinator, Placement and Training Cell, Bharathidasan University in his address stressed the importance of creativity in the development of applications. He said that the University stood by the side of the students in supporting and improving their skills through free

workshops of such kind. He also said that a full-fledged course on Android Application development with placement support would be offered by the University in collaboration with eQuadriga Software Private Limited subject to the requirement of the students. Dr. Gopinath Ganapathy, Director, BUTP and UBCC in his address said that the workshop was aimed to ignite the minds of the students and faculties to take up mobile application development using Android environment. He said that at the end of the day long workshop students should be able to generate ideas to create new applications, which could be developed into functioning applications in the near future and that the BUTP would assist the students throughout this process. The technical sessions of the workshop were handled by Mr. L. Varadharajan and Mr. R. Hariharan, eQuadriga Software Private Limited, Trichy. They covered many aspects of android technology and related methodologies very effectively. Er. S. Kalaivani, Project Co-ordinator, BUTP, gave away the certificates to the participants and observed that the workshop was well received by the participants with intense interaction.

### **Soft Skill Development and Career Counselling Programme**

The Career & Counselling Cell, Bharathidasan University, organized five 2-days and one 5-days Soft Skills Development and Career Counselling Programmes in five Bharathidasan University Constitution Colleges (Inamkulathur, Lalgudi, Thiruthuraipoondi, Nannilam and Aranthangi) and Bharathidasan University Main Campus respectively benefitting 1,168 students. The students were trained in the arts of soft skills required to secure jobs and build careers. They were also exposed to the employment market conditions through mock interviews were provided counselling to help them choose the right career path. They were briefed about the various opportunities available to them in the job market as well as higher studies.
