#### **Report of the Activities of**

#### **Workshop cum Sensitization programme on**

#### **"Right to Information Act" for the Differently Abled Persons and Release of Audio version of "Right to Information Act"**

**Date:** 23/Nov 2012

**Participants:** 64 Differently Abled Persons and 77 Social workers and students

Vice-Chancellor Dr.(Mrs)K.Meena inaugurated the one day workshop and released the audio version of the RTI act developed by Mrs. M. Prabavathy, Head i/c ,

Centre for Differently Abled Persons. The Right to Information Act – RTI has been serving as vital tool to obtain information. In order to create

awareness about RTI as a move towards inclusive society, the Centre for Differently Abled Persons (CDAP – BDU) in collaboration with National Institute

for Visually Handicapped (NIVH – Regional Centre) has organized a one

day workshop on Right to Information Act with special reference with persons with Disability on November 23rd 2012. More than 120 people from various social organizations including differently abled participated in programme.
