

**Bharathidasan University, Tiruchirappalli**  
**Equal opportunity Cell**

**Workshop on “Assistive technology for Ability Management”**

**24-2-2016**

The equal opportunity cell of Bharathidasan university coordinated by Dr.M.Prabavathy, Head, Centre for Differently Abled Persons organized a

training programme as a part of its initiative to give equal opportunity to persons with disabilities. Students with Vision impairment from various constituent and affiliated colleges were given hands-on-training in latest assistive technologies that can help them to access

computers independently. 28 visually impaired students were trained from the workshop.

Dr.M.Prabavathy, Assistant Professor, Centre for Differently Abled

Persons, Mr.navarasan and Mr Kumaresan, Assistive technology consultants served as resource persons.
