

**Centre for Differently Abled Persons,
Bharathidasan University, Tiruchirappalli**

**Exhibition, Human chain, Signature Campaign, and Workshop on
“Science and Technology for the Specially Abled**

28th Feb 2017

The Centre for Differently Abled Persons of Bharathidasan University and Government Law College, Trichy jointly organized an mega event: comprising of an Exhibition related to Science and Technology for the Specially Abled,

Signature
Campaign, Human
chain emphasizing
the need for
inclusion of persons
with special needs
and a workshop on
“Latest Technologies

for the Specially Abled” on 28th Feb 2017.

Mr.A.Mayilvaganan,

Deputy Commissioner of Police, Trichy opened the exhibition and viewed the special equipment and devices for the specially abled. Dr.M.Prabavathy, Head i/c of Centre for Differently Abled Persons and coordinator of the programme explained the working and use of every instrument. Along with that, the talents of Specially abled children were also demonstrated to the gathering.

Mr.A.Myilvaganan interacted with the specially abled students and encouraged them by giving presents. In his speech to the audience, he commented

that it was bliss to be a part of this celebration. He started the signature campaign supporting inclusion and equal rights for all. Further, he

flagged off the Human chain in which differently abled students and law college students took part. The workshop gave an awareness about the

recent technologies prevalent for the specially abled to be lead an independent life.
