**Awareness Related To Swach Bharath Campaign, Anna Planetarium,  
Trichy                      21.09.2017**

The Centre for Differently Abled Persons, as a part of its observance of International week for the Hearing Impaired- 2017 conducted various activities for the students and teachers of persons with Hearing Impairment . Around 60 Differently Abled children and their teachers from different schools were taken to Anna Planetarium. Awareness related to Swach Bharath Campaign and demonstrations on scientific

experiments were made with sign language. An exclusive show was organized in which students were made to know about solar system and moon.

Later the students were taken to the International airport, where they enjoyed landing and take-off of flights.
