**Workshop on “Health,,Hygiene and Prevention of Disabilities”
6/9/2013**

The workshop was organised in collaboration with Vivekanantha Arts and Science college for Women,Mayil

aduthurai. The workshop was an initiative to sensitize the adolescence girls studying in undergraduate level. 1200 students from rural background were being sensitized about healthy food habits, Hygiene and sanitation practises and measures that can be taken to prevent disabilities. Queries and doubts of Students were addressed by experts.Dr.M.Prabavathy, Head of the Centre and organizer of the programme headed the session and distributed awareness brochures to the students.
