Report of the Activities of

“International Day for the Persons with Hearing Impairment” and Training Programme on “Sign language”

28/9/2013

The day was observed on the 3rd week of September 2013.

Mr. Karunakarapandian, District rehabilitation officer gave the presidential

address. Mrs. Jansi, mother of a child with hearing impairment shared the hurdles faced in educating her child.

A training session of Basic sign language was given to 38 participants. In

the training, the participants learnt the basic signs required for communicating with a person with hearing impairment.
