**Report of the Activities of**  
**“Workshop on Eye Care and Eye Donation”**  
**10-10-2013**

On the eve of International Vision Day, a workshop was organized on Eye

care and Eye donation, Centre for Differently Abled Persons in collaboration with Joseph Eye Hospital organized a workshop to sensitize the students and public on various aspects of eye care. Tmt. S.

Rajeswari, Superintendent of Police, Tiruchirappalli district inaugurated the workshop and addressed the participants.

Dr. C.A. Nelson Jesudasan, Director and his team of medical professionals of Joseph Eye Hospital gave a detailed speech on eye care strategies and donation of eyes. Vice-chancellor committee member Dr. S. Subbiah, in his

speech compared the traditional life practises of eye care with the modern practises that has impacted today's generation. He emphasized the need for healthy eye practises among today's youth and also stated that donation of eyes gives more benediction than any prayers.

An Awareness Brochure On Eye Care And Eye Donation developed by Dr.M.Prabavathy was being released by Dr.S.Subbiah and disseminated to

the public. 600 students from various colleges participated in the programme.
