on

INTEGRATION OF INDIAN KNOWLEDGE SYSTEMS (IKS) IN CURRICULUM

09th - 14th February 2026

Call for Applications

IKS refers to the indigenous knowledge traditions developed in the Indian subcontinent over millennia, spanning fields such as philosophy, mathematics, medicine, astronomy, linguistics, agriculture, architecture, ethics, and arts. It represents a holistic and indigenous framework of understanding that spans across disciplines. For centuries, it has shaped the intellectual and cultural fabric of the Indian subcontinent. In the contemporary academic landscape, the integration of IKS in undergraduate curricula is crucial for fostering critical thinking, ethical values, sustainability, and national identity among students. The integration of Indian Knowledge Systems (IKS) into higher education curriculum has gained renewed focus in recent years, particularly with the introduction of the National Education Policy (NEP) 2020.

In this context, the UGC-Malaviya Mission Teacher Training Centre, Bharathidasan University organizes the **Capacity Building Programme on Integration of Indian Knowledge Systems (IKS) in Curriculum from 09.02.2026 (Monday) to 14.02.2026 (Saturday)** Applications are invited from **Faculty Members and Research Scholars** from Higher Education Institutions.

- The Capacity Building Programme is designed to enhance the participants' understanding of the different aspects and dimensions of IKS and the ways of integrating the same into the higher education curriculum of different disciplines.
- The CBP would feature sessions by accomplished academics and experts with proven track record of research work in IKS. The sessions will also focus on writing Proposals for Funded Research Projects in IKS.

GUIDELINES FOR APPLICANTS

1. Only **Online Applications** will be accepted. Please apply through the Google Form (<https://forms.gle/Uc3mQVZnNEqhWiUD6>) before 05.00 p.m. on 26.01.2026 (Monday). There is NO REGISTRATION FEE.
2. **Intake and Selection:** A Maximum of 150 (100 Higher Education Teachers and 50 Research Scholars) applicants will be selected on **First-cum-First-Served basis** for participation.
3. In case of multiple applications from the same institution, a maximum of three applicants only will be selected, to ensure wider representation.
4. Individual Selection Order will be sent by e-mail to each of the selected applicants along with details of accommodation availability for the needy.
