About the University:

Bharathidasan University was established in February 1982 and is named after the great revolutionary Tamil poet, Bharathidasan (1891–1964). The motto of the University, "We will create a brave new world," has been framed from Bharathidasan's poetic words. The University endeavours to be true to such a vision by creating in the region a brave new world of academic innovation. Among the academic units in the Palkalaiperur campus are Schools of Mathematics, Physics, Chemistry, Life Sciences, Basic Medical Sciences, Geosciences, Social Sciences, Marine Sciences, and the Schools of Languages. The University affiliating jurisdiction is over eight districts with 144 colleges and 11 approved institutions. The University's main campus is located in an area of 580 acres of land, situated 16 kms away from Tiruchirappalli junction, on the Tiruchirappalli–Pudukkottai national highway. The University is one among those recognized by the University grants commission for receiving grants as per Section 12b of the UGC Act. 36th Rank among the Indian Universities in NIRF–2025. It is a member in the association of Indian Universities as well as the Commonwealth Universities. It has been re-accredited with A⁺ grade by NAAC.

About the Department:

The Department of Microbiology emerged from the parent Department of Botany in 1992. In subsequent years, the department has procured basic to advanced instrumentation facilities from the UGC, DOD (MoES), DST, ICMR, CSIR, IFS, and INSA funds and has been successfully running the M.Sc. and Ph.D. courses. The department is also recognized with UGC NON-SAP and DST FIST. The department received the best department award at the national level from the Microbiologists Society of India (MBSI) in the year 2022. Department of Microbiology students are self- sustained and have received many individual fellowships, including Dr. Kothari post-doctoral, DST fast track young scientist fellowship, CSIR–SRF, DST-INSPIRE fellowship, and Non-SAP fellowship. Jawaharlal Nehru Memorial Fund, RGNF, MANF, University Research Fellowship for research scholars, and TNSCST minor projects for M.Sc. students. Students excel in competitive exams like SET and GATE, advancing to top-tier national and global universities for higher education. The department regularly organizes national and international events, including academic conferences, workshops, specialized training courses (DST INSPIRE), and entrepreneurship programs for underserved communities.

About the CENITTERZ T26:

The Department of Microbiology in Bharathidasan University conducts an annual intercollegiate talent meet in the name of "CENITTERZ" every year in the month of February since 2007. This meet is organized by the "CHIT CHAT CLUB". CENITTERZ-T26 is an attempt to bring budding scientists with a creative streak into the spotlight. The aim of the event is to provide a platform for young and bright minds in the field of life sciences to come under one roof and interact with one another through the medium of a science-based meet. We hope this endeavour grows with every passing year and the shield rolls on to the most deserving minds.

General instruction:

- Kindly maintain discipline in dress code and performance throughout the day to make the event a pleasant experience.
- Misconduct in any form will lead to the disqualification of the entire College.
- Participants must bring their identity cards or bona fide certificates provided by their corresponding institution.
- Participants willing to participate in more than one event are requested to inquire with the following numbers to avoid a time clash.

Note:

- Only one team is allowed to participate from one institution for an event.
- Topics for photography, advertisement, and turncoat will be given on the spot. Inquire with the following numbers to avoid a time clash.
- Dance and mime performances will be allotted a maximum of 4–5 minutes each.
- Preference will be given only for early registrations.
- Teams for dance, mime, and games are requested to confirm their registration form as per the given format on or before February 26, 2025.
