### Organizing University

Bharathidasan University established in February 1982, and was named after the great revolutionary Tamil Poet, Bharathidasan (1891-1968). The motto of the University "We will create a brave new world" has been framed from Bharathidasan's poetic words. The University endeavours to be true to such a vision by creating in the region a brave new world of academic innovation for social change (NAAC, - 2005, p.69). The year 2006-07 is the silver Jubilee year for this great and vibrant University. The University has international recognition and accredited by the National Assessment and Accreditation Council (NAAC) with the score 3.32 in a 7-point scale at A+ grade, in the year of 2019 and 36<sup>th</sup> Rank among the Indian Universities in NIRF-2025.

### Organizing Department

The Department of Statistics was created in the academic year 2011-2012 functions from City Campus at Khajamalai. The mission of the Department is to provide an opportunity for the students to enhance their ability in improvising and implementing Statistics for wider range of applications in different arena. The vision of the Department is to produce competent, efficient and professionally capable post graduates and research scholars in the fields of Statistics. The Department takes initiative roles in interactions with the industries and companies through innovative programmes and case studies that eventually creates the statistical awareness among the students in all the fields related to real life problems. In future, the Department will effort much and generate more potential students who can build a welfare society in this modern era.

### About RUSA 2.0

Rashtriya Uchchatar Shiksha Abhiyan (RUSA) is a Centrally Sponsored Scheme (CSS), launched in 2013 aims at providing strategic funding to eligible state higher educational institutions. The central funding (in the ratio of 60:40 for general category States, 90:10 for special category states and 100% for union territories) would be norm based and outcome dependent. The funding would flow from the central ministry through the state governments/union territories to the State Higher Education Councils before reaching the identified institutions.

The funding to states would be made on the basis of critical appraisal of State Higher Education Plans, which would describe each state's strategy to address issues of equity, access and excellence in higher education. The primary components of RUSA that capture the key action and funding areas that must be pursued for the fulfilment of the targets:

- Upgradation of existing autonomous colleges to Universities
- Conversion of colleges to Cluster Universities
- Infrastructure grants to Universities
- New Model Colleges (General)
- Up gradation of existing degree colleges to model colleges
- New Colleges (Professional)
- Infrastructure grants to colleges
- Research, innovation and quality improvement
- Equity initiatives
- Faculty Recruitment Support
- Faculty improvements
- Vocationalisation of Higher Education
- Leadership Development of Educational Administrators
- Institutional restructuring & reforms
- Capacity building & preparation, data collection & planning
