

## ABOUT THE UNIVERSITY

Bharathidasan University was established in February 1982, and was named after the great revolutionary Tamil Poet, Bharathidasan (1891-1964). The motto of the University "We will create a brave new world" has been framed from Bharathidasan's poetic words "புதியதோர் உலகம் செய்வோம்". The University endeavours to be true to such a vision by creating in the region, a brave new world of academic innovation for social change. The University is Accredited with A+ Grade by NAAC in the Third Cycle & 36th Rank among the Indian Universities in NIRF-2024. Bharathidasan University endears to espouse to such core values, that position the Institution on the righteous path in its relentless endeavour of creating 'A New Brave World' characterized by Creative excellence, Community equity, Competence eminence and Characteristic exemplar.

## ABOUT THE DEPARTMENT

The Department of Mathematics started functioning in 1963 in the erstwhile Post-Graduate Centre of University of Madras. It is one among the oldest Departments of the Bharathidasan University and got merged with the University in the year 1982. The Department presently offers courses in M.Sc., and Ph.D., programmes. In the past 10 years, the Department has made a steady progress and been regularly organizing various academic activities. Many outstanding Mathematicians from India and abroad have visited the Department and delivered lectures. The Department takes an integrated and innovative approach in teaching and training the students. Apart from teaching, the faculty members are carrying out research in the frontier areas of mathematics including Coding Theory, Differential Equations and Numerical Analysis, Difference Equations, Discrete Dynamical Systems and Functional Analysis. Some of our students have participated in quiz programmes conducted outside the University and brought laurels to the Department by winning various prizes.
