Five Day Training Programme on Mapping with Open-Source GIS Technologies

03.11.2025-07.11.2025

About the Training Programme

This intensive five-day training programme is designed to equip participants with practical skills and foundational knowledge in Geographic Information Systems (GIS) using open-source tools. Focused on hands-on learning, the programme introduces participants to modern techniques in spatial data management, analysis, and visualization through widely used open-source platform (QGIS). Additionally, sessions on statistical data analysis and exploration for social sciences context

Target Group *Faculties, Research Scholars, and Students from Geography, Geology, Geoinformatics, Marine, Environmental Science, Economics, Sociology, Social Work and related subjects.*

Venue

Department of Geography
Bharathidasan University
DIGI PIN: M97-JM9-MM2M

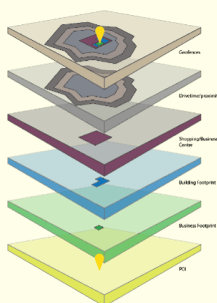

Date

03 Nov 2025
to
07 Nov 2025

Note: Participants bring Your own laptop for hands on exercises

Five Day Training Programme on Mapping with Open-Source GIS Technologies

03.11.2025-07.11.2025

Coordinators

Dr. R. Jegankumar
Professor and Head,
Department of Geography
Bharathidasan University

Dr. P. Masilamani
Assistant Professor
Department of Geography
Bharathidasan University

List of Speakers

Dr. R. Jaganathan
Professor and Head,
Department of Geography,
University of Madras, Chennai
Title: Online GIS

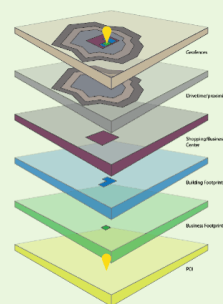

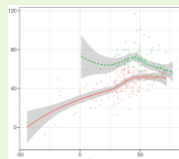

Dr. Y. Nithyanandam,
Professor and Head Geospatial Research Program
Takshashila Institution, Bangalore.
**Title: The Power of the Commons:
Open Geospatial Data for Actionable Intelligence**

Dr. Saravanan Subbarayan
Associate Professor, Dept of Civil Engineering
National Institute of Technology, Tiruchirappalli
**Title: Integrating Deep Learning and Climate Change Projections for
Landslide Susceptibility Modelling in the Western Ghat**

Dr. M Ramakrishnan
Associate Professor, Dept. of Mathematics
Ramakrishna Mission Vivekananda College, Chennai
Title: Multivariate Statistical Analysis using: Jamovi

Dr. Jayanta Das, Assistant Professor, Department of Geography, Rampurhat College,
Director, Srushti-Drushti Geospatial (SDG) Foundation (NGO)
**Title: Modeling of Groundwater Stress Zonation (GSZ) using GIS based Weighted Aggregated
Sum Product Assessment (WASPAS) technique**

Mr. Elangobabu C M.Tech
Technical Lead Consultant-TNGIS
eGovernance Agency Govt of Tamil Nadu
Title: GIS for Governance

Mr. Shubham Yadav M.Tech.,
Director & CEO, Quantox Technologies PVT LTD
Karad, Maharashtra
**Title: Entrepreneurship Opportunities in
Geospatial Startups**

Dr K Prakash
Guest Faculty, Department of Geography
Bharathidasan University
Title: Hands on Exercises QGIS / GEE

Mr. Sarveshvaran M M
Founder and CEO
Alpha Map Tech. Tamil Nadu
Title: Hands on Exercises QGIS / GEE
