

About the University

Bharathidasan University established in February 1982, was named after the great revolutionary Tamil Poet, Bharathidasan(1891-1964). The motto of the University "We will create a brave new world" has been framed from Bharathidasan's poetic words "*புதியதோர் உலகம் செய்வோம்*". The University endeavors to be true to such a vision by creating in the region a brave new world of academic innovation for social change. Bharathidasan University ensures the pursuit of excellence in teaching, learning, research, and extension of knowledge through higher education. The mission of Bharathidasan University is to promote scholarly, scientific and critical inquiry among the learners to move forward in the frontiers of knowledge and enrich and elevate them as the citizens of the state, the nation, and the world by offering nationally and internationally competitive learning and creative activity through quality programmes of teaching, research, and extension. The University is one among those recognized by University Grants Commission (UGC) receiving grants as per section 12b of UGC act and awarded 'A+' grade by NAAC in third cycle and 36th rank among Indian Universities in NIRF-2024. About the Department

The Department of Marine Biotechnology established in 2008, is actively engaged in imparting quality education and research in different key areas of Biotechnology, Microbiology, Marine Science and Bioinformatics. Marine Biotechnology is an emerging field which is still under exploration with wide scope in the future. The main focus of the department is to create an expertise required for both academics, industries and environment also to pursue research in the frontier areas of marine biological sciences including Marine Molecular biology, Marine cyanobacteria, Aqua culture, Marine Nutraceuticals, Marine Pharmacology, Marine bioremediation etc at international standard. The Department has attained a wide recognition by receiving grants through DBT, UGC-Non-SAP, DST-PURSE, DST-SERB, DST-Indo-Japan, UGC, CSIR, MoEF, COIR, TNSCST, TANSCH, RUSA 2.0, etc. The Department offers a M.Sc., Programme in Biotechnology (Specialization in Marine), and a Ph.D., Programme in Microbial Biotechnology. The Department is flourished with good laboratory infrastructure and is equally strengthened with experienced faculty members with vast research experience, credible publications in peer reviewed journals and also put on proficiency in organizing workshops, seminars, conferences, symposia etc. As an added credential, the department has signed MoUs with various Universities, Research institutes and Industries for education, research and products development. The alumnae are placed/doing his/her higher education (Ph.D and Post Doctoral) in reputed National and International research institutes and industries all over the globe. Registration

Registration Eligibility: Students (UG/PG) from all life Science disciplines from various Colleges and Universities within India.

Registration Link: <https://forms.gle/8C342YsgUsicDJ06A>

Registration Fees : 200 /-

On-Spot Registration: 300 /-

Last Date of Registration : 05.10.2024

For Further Information:

Dr. K. Anbarasu : +91 90473 74606

Dr. S. Rajakumar: : +91 96003 42290

Dr. A. Indumathi : +91 94446 18399

E-mail: zeemirth24@gmail.com
