

BHARATHIDASAN UNIVERSITY

The Bharathidasan University was established in 1982 as an affiliating University. The University endeavors to be true to be such a vision by creating in the region a brave new world of academic innovation for social change. The university is one among those recognized by university Grands Commission are receiving grants as per section 12B of UGC Act. The University carries out teaching, research, and extension services through Schools / Departments / centers of excellence and through its affiliated colleges. There are around 1.3 lakhs students undergoing various Diploma/Under Graduate/Post Graduate/Research programmes in the affiliated colleges. To its credit it has been awarded 'A' Grade by NAAC. The University main campus (Palkalaiperur Campus) is located 15kms away from Tiruchirappalli Central bus stand on Pudukkottai National Highway. For more details you please visit our website www.bdu.ac.in.

DEPARTMENT OF MICROBIOLOGY

The Department of Microbiology emerged from the parent Department of Botany during 1992 in association with DBT sponsored National Facility for Marine Cyanobacteria. A post graduate programme on Microbiology was started during 1994. The faculties in the Department are totally committed for their research contributions at National and International Levels. They have received project grants nearly Rs. 15 crores from various government funding agencies such as DOD (MoES), DBT, DST, ICMR, CSIR, UGC, IFS and INSA. Students of microbiology are self-sustained and receive individual fellowships including Dr. Kothari Post-doctoral, DST Fast track Young Scientist fellowship, CSIR-SRF, DST-INSPIRE fellowship, Non-SAP fellowship, Jawaharlal Nehru Memorial Fund, RGNF, Maoulana Azad Minority fellowship, University Research Fellowship, TNSCST minor projects and RUSA BECH projects for M.Sc students. And recently the department was received Best Department Award from Microbiologists Society, India on national level. Apart from excellent academic and research outcome, student excel in extracurricular activities. The department regularly organizes National/International level seminars, symposia, workshops, refresher courses, summer courses, DST-INSPIRE programs, entrepreneurship programs for social and economically deprived populations. An annual intercollegiate meet-Cenitertz is being organized by the students every year since 2007.

ABOUT REGISTRATION

REGISTRATION FEES

For Ph.D Research Scholars/Students	Rs. 400/-
For Faculties/Scientists/PostDocs	Rs. 650/-
For Industrial Persons	Rs. 1000/-
For spot registration (No kit will be provided)	Rs. 600

Registration fees should be sent either (i) in the form of DD or (ii) through e- banking on the following bank account through any Nationalized Bank or (iii) using Visa/Master's Card, in favour of **"The PROFESSOR AND HEAD, DEPARTMENT OF MICROBIOLOGY, BHARATHIDASAN UNIVERSITY, TIRUCHIRAPPALLI – 620 024 – HAPV2k24"** along with duly filled registration form, followed by e-mail (hapvc2k24@gmail.com) of the copy of remittance

Name : Department of Microbiology
Bank Name : State Bank of India
Branch : Bharathidasan University
Account No : 10375402802
IFSC No : SBIN0007014

The registration fee should be paid on or before **20.09.2024** and **Spot registration is available from 9:00 AM on the day of the event**, at AC Auditorium Bharathidasan University Main campus, Tiruchirappalli – 620 024.

Accommodation will be arranged in our University International Guest House as per participants request on payment basis. Please enquire in advance preferably before 20.09.2024.

BHARATHIDASAN UNIVERSITY

Tiruchirappalli - 620 024, Tamil Nadu, India

(Accredited with A* Grade by NAAC in the Third Cycle & 36th Rank among the Indian Universities in NIRF-2024)

NATIONAL LEVEL SEMINAR ON

HUMAN, ANIMAL, PLANTS - VECTOR BORNE DISEASES AND THEIR CONTROL

25TH SEPTEMBER, 2024
at AC AUDITORIUM

SPONSORED BY

Biological Sciences RUSA 2.0
BHARATHIDASAN UNIVERSITY

ORGANIZED BY

DEPARTMENT OF MICROBIOLOGY
BHARATHIDASAN UNIVERSITY
TIRUCHIRAPPALLI - 24

INVITED RESOURCE PERSONS

Dr. K. Ilango,

Joint Director & Office in-Charge
Zoological Survey of India (Rtd), Southern Regional
Centre of ZSI, Chennai.

TOPIC: Deforestation and Vector Borne Diseases

Dr. M. Muniaraj

Scientist – E & Head, Unit of Microbiology,
ICMR – Vector Control Research Centre Field
Station, Madurai – 625 002, TN

TOPIC: Human, Animal and Plant: The
Tripartite Association of Vector Borne Diseases

Dr. R. Balasubramanian

Scientist – E & Deputy Director, Dept of Health
Research, Min of (H&FW), ICMR – National
Institute of Virology – Kerala Unit, Alappuzha –
688005, Kerala

TOPIC: Vector Borne Viral Zoonotic Diseases
in India.

Dr. Senthil Nathan

Professor & Head, Sri Paramakalyani Centre
for Excellence in Environmental Science,
Manonmaniam Sundharan University,
Alwarcurichi – 627 412, TN

TOPIC: The Impact of Plant Vector – Borne
Diseases on Global Agriculture and Food
Security

ABOUT THE SEMINAR

The increasing incidence of vector-borne diseases such as Malaria, Dengue and Lyme disease which affect Human, Animal and Plant health highlights the need for a comprehensive effort on their control. As these diseases continue to emerge and re-emerge, it is crucial to bring together experts from diverse fields to share knowledge, Research and best practices in preventions, detection, and response. A seminar on Human-Animal-Plant Vector – Borne Diseases and Control provides a platform for interdisciplinary collaboration, capacity building and community engagement, ultimately contributing to global health security and the well-being of humans, animals, and plants.

TRAVEL ROUTE

Buses from Chathiram Bus Stand to Bharathidasan University: Bus No: 63-C, 63-A (or) Central Bus Stand to Bharathidasan University: K1, VMT and other route buses from Tiruchy to Pudukkottai via Keeranur (from Central Bus Stand) asking if its stops at Bharathidasan University.
