TAMILNADU.

**Convener**

**Dr. D.J. Bagyaraj**  
INSA Honorary Scientist &  
Chairman  
CNBRCD, 41, RBI Colony  
Anand Nagar, Bangalore 560024  
Karnataka, India

**Coordinator**

**Dr. M. Sathiyabama**  
Assistant Professor  
Department of Botany  
School of Life Sciences  
Bharathidasan University  
Tiruchirappalli - 24.

## About the University

Bharathidasan University was established in the year 1982. The University Campus (Palkalaiperur Campus) is located in an area of 250 hectares of land situated at 16 kms away from Tiruchirappalli junction on Tiruchirappalli – Pudukottai National Highway. The University has number of academic departments and supporting facilities with “A” grade accreditation in national level.

## Science Academies'

The workshop is sponsored by The Indian Academy of Sciences (IASc), Bengaluru and in association with Indian National Science Academy (INSA), New Delhi and The National Academy of Sciences India (NASI), Allahabad. The IASc was established in 1934 by Sir C.V.Raman, aims at promoting the progress and upholding the cause of Science in pure and applied branches. The major activities of IASc include publication of scientific journals and special volumes, recognition of scientific talent and improvement of science education.

## About the Workshop

The workshop will cover the areas of Microbial biodiversity, Medicinal plants biodiversity, Conservation of bio resources, Utilization of bio resources for crop improvement.
