

ORGANIZING COMMITTEE

Chief Patron

Prof. P. MANISANKAR

Vice-Chancellor, Bharathidasan University

Patron

Prof. G. GOPINATH

Registrar, Bharathidasan University

Organizing Secretaries

Dr. A. LAKSHMI PRABHA

Professor

Dept. of Botany, Bharathidasan University.

Dr. T. SENTHIL KUMAR

Associate Professor

Dept. of Botany, Bharathidasan University.

Organizing Committee Members

Dr. M.B. VISWANATHAN

Professor & Head (i/c)

Dept. of Botany, Bharathidasan University.

Dr. B.D. RANJITHAKUMARI

Professor

Dept. of Botany, Bharathidasan University.

Dr. (Mrs).M. SATHIYABAMA

Associate Professor

Dept. of Botany, Bharathidasan University.

Dr. S.R. SIVAKUMAR

Assistant Professor

Dept. of Botany, Bharathidasan University.

Address for Correspondence

National Level Lecture Workshop on Plant Tissue Culture and Phytochemistry

21st March 2018

Sponsored By

**DST-PURSE &
Bharathidasan University**

Organized by

**Department of Botany
School of Life Sciences
BHARATHIDASAN UNIVERSITY**

Tiruchirappalli- 620 024

Tamil Nadu, India.

Venue

A/C Auditorium

Bharathidasan University
Tiruchirappalli-620 024.

Dear colleagues and friends

It gives us a great pleasure to invite you to the National Level “Lecture Workshop on Plant Tissue Culture and Phytochemistry”. This national workshop will be organized by the Department of Botany, Bharathidasan University, Tiruchirappalli – 620 024, Tamil Nadu on 21st March, 2018.

This national level lecture workshop will provide a platform to share the knowledge, research and technological activities of researchers working in the fields of plant tissue culture and phytochemistry. This would be an excellent opportunity for researchers, academia and business people to exchange ideas, to share their findings and to develop new collaborations in research fields. It will include various lectures from eminent invited speakers of different areas.

The City

Tiruchirappalli is the fourth largest city in Tamil Nadu, situated on the banks of river Cauvery. It encompasses Srirangam, a Vaishnava temple and one of biggest functioning Hindu temple in the world. Tiruchirappalli, the home town of Nagaraja Cholan has many historic temples, monuments, churches and mosques. Uraiyur, the old Tiruchirappalli has over 2,500 years of known history and tradition. It was the capital of the early Chola kings. The oldest man-made dam, Kallanai, was built by Karikala Cholan across the river Cauvery about 10 miles from Tiruchirappalli. Tiruchirappalli has an International Airport at about eight kilometers from University, which operates flights to many of the Indian cities, territories and neighbouring countries.

About us

Bharathidasan University, named after the revolutionary Tamil Poet, Bharathidasan, was established by the Government of Tamil Nadu in 1982 through the Bharathidasan University Act 1981. The University is one among those recognized by the University Grants Commission for receiving grants as per section 12 B of UGC Act. It is a member of the Association of Commonwealth Universities. To its credit it has been awarded “A” grade by NAAC. The University campus (Palkalaiperur Campus) is located in an area of 500 hectares of land situated at 16 kms away from Tiruchirappalli Junction on Tiruchirappalli – Pudukkottai National highway.

The Lecture Workshop

The one day lecture workshop disseminates information on plant tissue culture and phytochemistry.

Registration:

- There is **No Registration Fee**. Spot Registration is not entertained.
- Workshop kit, working Lunch and refreshment will be provided.
- Only 150 participants will be selected based on the registration received on first-come, first-serve basis. Selected participants will be intimated through email.
- Registration forms can be sent by post or email on or before 15th March, 2018.

RESOURCE PERSONS

Dr. K. Ruckmani

Professor & Head

Dept of Pharmaceutical Technology
Director, Centre for Nanobio Translational Research(Autonomous) Bharathidasan Institute of Technology Campus, Anna University, Tiruchirappalli 620 024.

Title: Investigation of the leaves of *Myxopyrum serratum* (A.W.Hill) phytochemically and anti-asthmatic efficacy

Dr. R. Yasodha

Scientist-G,

Division of plant biotechnology & Cytogenetics,
Institute of Forest Genetics and Tree Breeding,
Coimbatore-641 002.

Title: Applications of Tissue Culture in forestry.

Dr. N. Senthilkumar

Scientist-E,

Division of Bioprospecting,
Institute of Forest Genetics and Tree Breeding,
Coimbatore-641 002.

Title: Bioprospecting of renewable forest resources: scope, challenges and prospects.

Dr. M.V. Rao

Honorary Professor,

Department of Botany,
Bharathidasan University,
Tiruchirappalli – 620 024.

Title: *In vitro* production of secondary metabolites.
