

BIOMED FUTURA (2024-2025)

Department Of Biomedical Science
Bharathidasan University
Tiruchirapalli-24

ABOUT BIOMED FUTURA

BIOMED FUTURA is an in-house club of the Department of Biomedical Science. The club was inaugurated in the year 2017. The club aims to inspire students to think beyond their academic disciplines and to transform students into globally competent individuals who make a positive impact on society through excellence, innovative thinking, and research aptitude in science and technology. From the very first year, the club shows a lot of enthusiasm and organises various events to persuade students to think out of the box. The members of the club work actively and conduct meetings every week, which involves a sense of responsibility. The members of the club are elected by the students of the Department. The club invites distinguished and eminent speakers from various fields to provide valuable insights and nurture intellectual growth outside the classroom. This fosters interdisciplinary collaboration to address complex challenges through diverse approaches. The club encourages students to explore diverse perspectives and broaden their horizons by engaging activities such as debates, quizzes, and speeches. Every year, the club releases a couple of scientific magazines by compiling the knowledge and thinking abilities of every student and validating their contributions. Biomed Futura is a necessary element in promoting liberal education and responsible practices within the department to create a supportive environment for all.

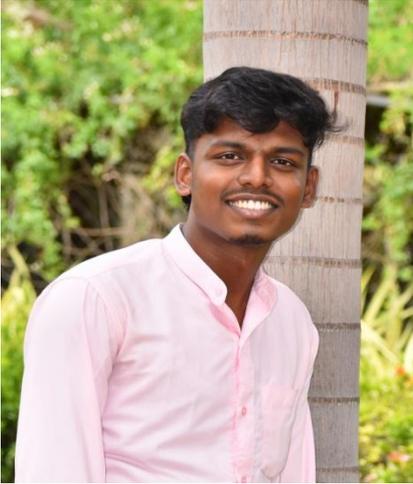

Dr G. MATHAN

Professor & Head

Coordinator-Biomed Futura

Department of Biomedical Science

OFFICE BEARERS

Mr. Thirumugeshwaran V
PRESIDENT

Mr. Solaimanikandan S
SECRETARY

Mr. Udhayakumar K

COMMITTEE- HOSTED EVENTS

On 30th July,2024,
Dr. RAMASWAMY BABU RAJENDRAN
Senior Professor, Department Of
Environmental Biotechnology
Bharathidasan University, Trichy delivered
lecture on the topic of “**Environmental
Forensics**”

On 23rd July,2024, **Dr P CHELLAPANDI,**
Professor & Head of the Department
Bioinformatics, Bharathidasan University,
Trichy, delivered a lecture on the topic of
“**Molecular Virulence Mechanism Of
Clostridium Botulinum- A Loche Maree On
Human GI Tract**”

On 6th August, **Dr SENTHILKUMAR**
Associate Professor

Department Of Biochemistry
Thanthai Periyar Government Arts &
Science college, Trichy delivered lecture on
title of “**Activation of innate immune cells
through TNF & TNFR ligand mediated
reverse signaling mechanisms**”

On 13th August,2024,
Dr MAHARAJA PONNAIAH
Data Scientist & Head,
Ican I/O- Data Science
Sorbonne University, Germany
delivered lecture on title of “**AI for Personalized
Medicine**”

On 13th August, **Dr N. AMSAVENI** ,
Nodal Officer , Ragging Prevention Committee,
Bharathidasan University, Trichy, delivered lecture on the
title of **“Anti Ragging Week Celebration”**

On 28th August , **Dr M ANUSUYADEVI JEYACHANDRAN**
Assistant Professor, Department of Biochemistry, Bharathidasan
University, Trichy, delivered a lecture on the title of **“Resveratol: A
multi-therapeutic drug target and potential neuroprotectant against
age-associated neurodegeneration, with special emphasis on aging
and Alzheimer’s disease”**

On 5th September, **Dr A UMAMAHESHWARI**, Assistant Professor
Department Of Pharmaceutical Technology, Anna University, Trichy,
delivered lecture on the title of **“ Drug Designing & Bioinformatics
–Revolutionizing Pharmaceutical”**

COMMITTEE- HOSTED EVENTS

On September 10,2024 **Dr.R.RAJARAM** Professor, Department Of Marine Science Bharathidasan University, Trichy delivered a lecture on the topic of “**Metal Flow In Polar Food Webs -Arctic Perspectives**”

On September 18, 2024 **Dr.D.KANDAVEL** Associate Professor ,Department Of Botany Govt. Arts College For Men(autonomous),Chennai delivered a lecture on titled **Tips For Acing The Joint “CSIR-UGC NET”Exam**

On September 24, 2024, **Dr.A. PURATCHIKODY** Professor, Department Of Pharmaceutical Technology Anna University, Trichy delivered a lecture on the topic of “ **Integrated Bioinformatics Approaches to Identify Detective Markers For Diabetes And Glaucoma**”

On October 1, 2024, **Dr.K. RAVISHANKAR** Assistant Professor, Department Of Biotechnology Anna University, Trichy delivered a lecture titled on “**Bioprocessing Essential: A Comprehensive Overview**”

On february 18, 2025

Dr.M.MANICKAVASAGAM

Associate Professor Department Of
Biotechnology Bharathidasan University,
Trichy delivered a lecture on the topic of
“Genetic Engineering In Agriculture”

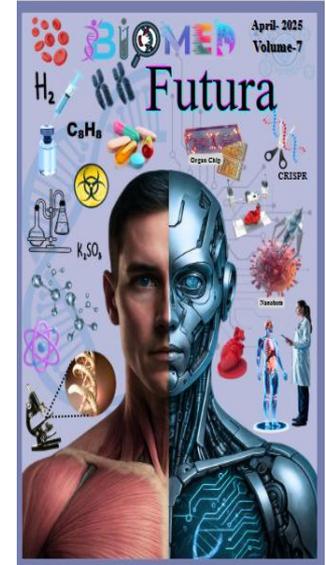

On february 25, 2025

Dr.M.MUTHUSELVAM

Associate Professor ,Department Of
Biotechnology Bharathidasan University,
Trichy delivered a lecture entitled a topic of
**“Microbial Bioprospecting Sustainable
Development”**

NEWSLETTER RELEASE

*Biomed Futura Newsletter, Volumes 6 and 7, were officially released by the Honourable Secretary of Higher Education, Government of Tamil Nadu, **Thiru Dr. P. Shankar**, IAS, on 22 September 2025 at Bharathidasan University, Tiruchirappalli. The first copies were received by **Dr. R. Kalidasan**, Registrar, Bharathidasan University.*

***Dr. G. Mathan**, Professor and Head, and Coordinator of Biomed Futura, along with other office bearers, were present during the release ceremony.*
