

DEPARTMENT OF BIOMEDICAL SCIENCE
BHARATHIDASAN UNIVERSITY
Tiruchirappalli-620 024, Tamil Nadu, India.

BMS ALUMNI MEET – 2026 (24th April 2026)

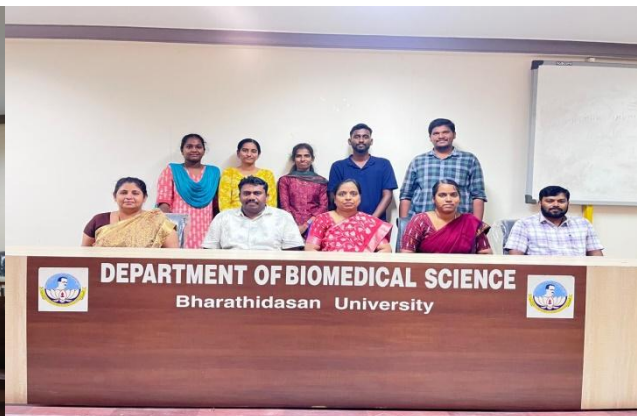

The Biomedical Science (BMS) Alumni Meet – 2026 was held on 24.04.2026 at BMS Seminar Hall in a hybrid mode both offline and online to strengthen the alumni network and to empower their relationship with the department and University. Alumni from various batches residing in different locations participated enthusiastically through online platform, while others attended the meeting directly in the department. **Dr. G. Mathan, Professor and Head, Dr. S. Shanmugaapriya, Associate Professor, Dr. P. Dhivya and Dr. A.S. Vijayakumar, Guest lecturers** of Department of Biomedical Science were also present during the gathering. **Dr. S.D. Saraswathy, Associate Professor and Coordinator** of the event welcomed the alumni members assembled both online and offline formally and gave a brief note about the activities of Alumni

Association of Biomedical Science (AABMS) during the year 2025 and acknowledged their remarkable contribution in the departmental initiatives. She also emphasized the implication of alumni in supporting BMS students in different aspects mainly on career guidance, internships, placement and higher studies. Followed by this, the alumni participants got familiarized and interacted with the recently passed out graduates. They recalled their past memories in the institution as well as shared their present positions, professional experiences and skills, research activities and achievements after graduation. Further, they enlightened the current BMS students on research and job openings after their graduation and outlined the carrier opportunities under various divisions of biomedical science area.

Dr. S.D. Saraswathy, Associate Professor and Coordinator of the event delivered welcome address

The alumni members also expressed their gratitude for organizing BMS students-oriented events and stated their willingness to contribute towards sustained development of the department. Also, feedback and suggestions were gathered from the alumni members during the meeting regarding future alumni activities and implementation of student mentorship programs, industry collaborations, and career-oriented workshops etc. Finally, the session was concluded with a vote of thanks proposed by Dr. G. Mathan, Professor and Head, Department of Biomedical Science, who appreciated the BMS alumni participants for their professional attainments and durable association with the department.

Overall, the BMS Alumni Meet – 2026 successfully reinforced the relationship between the department and its alumni while paving the way for new collaborations, mutual enrichment, and academic advancement.
