The Department of Biomedical Science, Bharathidasan University, Tiruchirappalli proudly hosted a landmark academic event on 8th September 2025 to mark the formal signing of a Memorandum of Understanding (MoU) with Rudraash Diagnostics & Labs Pvt. Ltd., Trichy.

This MoU represents a significant milestone in strengthening industry-academia collaboration, particularly in the rapidly advancing field of molecular diagnostics. The partnership is designed to provide Biomedical Science students with enriched academic and practical exposure through structured internship programs, certified diploma and certificate courses, and hands-on training modules. These initiatives aim to enhance students' technical competencies and better equip them for successful careers in the diagnostic and healthcare industries.
