Preface

(Give a brief profile of the department -- running text for less than one page)

The Department of Library and Information Science is offering integrated M.Lib.I.Sc. (2 Years) Academic Programme. The department has also offers M.Phil and Ph.D (Part-Time/Full-Time) research programmes from the academic year 2008-2009. The department is offering the Programmes with updated curriculum of meeting present needs of academic, corporate and information industry to ensure employability. The department has updated and sophisticated information systems including digital library and web technologies. Students are exposed to practical environments of different types of libraries through education tours, internship and training programmes.

The Department has highly qualified and experienced teaching faculty with UGC-NET and Ph.D., having an experience of more than a decade. They also served in various educational institutions including institutions of national importance and information industries. The faculty received the research projects, organized sponsored academic events and awards. The Department has a good collection of library resources including e-journals, e-books and databases. The students are given practical training in designing digital libraries, subject information gateways, and compilation of research profile using mapping tools. Creation of websites and automation of libraries using open source tools. The faculty were visited and delivered lectures across national and international destinations such as Singapore, Malaysia, Oman, Thailand, Sri Lanka and South Korea. The faculty members are taking part in Board of Studies, Academic council, Governing Council, Inspection Committees, Research Advisory Boards of Colleges, Universities and National Institutes including NAAC and UGC. There are a few international students from Sri Lanka, Ghana, Nepal, Dubai (UAE) and Oman pursued their higher education. The students make presentations in the Conferences, Seminars and other academic programmes at national and international level and received best paper awards. The google scholar citation of department is 632 with the H-Index of 13.

Professor and Head
Objectives:

- To impart professional skills to meet the changing requirements of the various types of libraries and information industries.
- To offer higher academic and research programmes in Library and Information Science.
- To ensure 100 percent employability for all our students and research scholars.
- To provide training to the working LIS professionals on emerging technologies.
- To strive for funding through sponsored research and to bring out standard publications.

Vision

- To impart quality education in Library and Information Science (LIS) on par with International standards. To develop potential human resources in LIS, to adopt international teaching and learning practices and to make visibility of the library school across the globe.

Mission

- Imparting knowledge and skills on emerging technologies to handle and manage Information and Data Sets.
- Imparting skills to design digital and virtual Libraries of different organizations.
- Imparting capabilities on employability.
- Collaborating with National and International LIS teachers, working library professionals and the faculty members of allied subjects to carry out research and scholarly communication.
- To undertake quality research in the fields of Library and Information Science, avail research funding and carryout consultancy and training programmes.
Faculty I

**Area of Research/Specialization:** User Studies; Digital Library and Web Technology; Information Systems; Quality Assurance in LIS.

**Achievements made in Teaching/Research/Extension**

- No. of Research Publications: 66
- No. of papers presented in Conferences: 81
- h-index: 5
- i-10 index: 4
- Total Citations: 111
- Patents Granted/Filed: -
- Products Developed: -
- Projects Completed/Ongoing: 3/2
- Consultancies Completed/Ongoing: -

**Awards and Recognitions**

- Received **National Best Librarian Award 2017** for significant contribution to LIS Profession, from Madras Library Association (MALA) on the occasion of 125th Birth Anniversary Celebration of Padmashree Dr. S.R Ranganathan, held at IIT –Madras, Chennai on 12th August 2017.
- Received **National Best Librarian Award** by Indian Academic Library Association, Bangalore in the year 2006

**Research Group Members**

- Doctoral Research Committee Member, Department of Library & Information Science (Bharathidasan University)
- Bishop Heber College (Academic Council Member)
- Rajah Serfoji Government (Autonomous) (Academic Council Member)
- University of Mysore (BOS)
- Bangalore University (BOS)
- Bharathiyar University (BOS)
- Bharathidasan University (BOS)
- Alagappa University (BOS)
- Karunya University (BOS)
- Periyar University (BOS)
• Madurai Kamaraj University (BOS)
• Tamil University Tanjore (BOS)
• Rajagiri college of Social Sciences Cochin (BOS)
• Holy Cross College (BOS)
• Gandhigram Rural Institute (BOS)
• Thiruvalluvar University (BOS)
• Reviewer for the programme of Bachelor of Arts Hons. in Library and Information Science for the Open University of Sri Lanka during 03rd -17th December 2017.
• Acted as Expert Committee Member for selection of Library professionals for various Higher Education Institutions.
• Acted as member in question paper setting for TNPSC Examination and UGC NET.

Member in Other Academic Activities

• Acted as NAAC member and member co-ordinator for various Universities and Colleges
• Bharathidasan University SWAYAM Co-ordinator
• University Co-ordinator for “Ek Bharat Shreshtha Bharat”
• Life Member of ISTE, ALA, SALIS, MALA
Faculty II

Area of Research/Specialization:
- Scientometrics and Bibliometrics
- Digital Libraries and Web Technologies
- Institutional Repository
- Music Library

Achievements made in Teaching/Research/Extension

Programmes offered

1. M.L.I.S - Library and Information Science
2. M. Phil. - Library and Information Science
3. Ph. D. - Library and Information Science
4. PGDLKM (Post Graduate Diploma in Digital Library and Knowledge Management)

Program objectives

The objectives of M.Lib.I.Sc (Library and Information Science) programme are:

Educate and capacitate every Master of Library and Information Science product to make aware and demonstrate the ethics, values, and foundational principles of the information profession, and discuss the importance of information/data literacy and intellectual freedom within the LIS profession and an overall research attitude by helping them

- To obtain a thorough knowledge about the organizational settings both in hybrid and digital library systems affiliated to Academic, Public, Special organizations in which information professionals practice;
- recognize the diversity (such as cultural and economic) in the information needs of the clientele and employees of an organization and become familiar with matching information/data services;
- to apply the principles to information system and services; design, query, and evaluate information as well as databases and retrieval systems;
- to use the basic concepts and principles related to the selection, evaluation, organization, archiving and preservation of traditional documents and digital information materials;
- demonstrate the understanding of basic principles and standards of planning, organizing, management, marketing, and advocacy involved in organization and management of data/information such as classification and controlled vocabulary systems, cataloging systems, metadata schemas as well as other systems for promoting recall and precision towards promoting
user satisfaction; demonstrate proficiency in identifying, using, and evaluating current and emerging information and communication technologies applicable to LI services;

- use service concepts, principles, and techniques to precisely enunciate and connect individuals or groups with accurate, relevant, and appropriate data/information;
- describe the fundamental concepts of information-seeking behaviors; design instructional programs based on learning principles and theories;
- demonstrate understanding of quantitative and qualitative research methods, the ability to design a research project, and the ability to evaluate and synthesize research literature besides knowledge about plagiarism checker software;
- demonstrate oral and written communication skills necessary for professional work including collaboration and presentations; evaluate programs and services using measurable criteria;
- Identify ways in which information professionals can contribute to the cultural, economic, educational, and social well-being of our global communities;

**Eligibility:** A pass in any degree from a recognized Institution or University.

**Selection Procedure**

Selection will be made on the basis of merit list prepared from the application and the entrance examination. Reservation if any applicable as per the State/ Central Government / University Grant Commission and University Rules.
