

室蘭工業大学大学院工学研究科 強相関電子物性研究室  
Graduate School of Engineering, Muroran Institute of Technology

15. October. 2015

## To whom it may concerned

Prof. Sonachalam Arumugam from the Centre for High Pressure Research, School of Physics, Bharathidasam University, India, visited Graduate School of Engineering, Muroran Institute of Technology, Muroran, Hokkaido, Japan during Oct.10-14, 2015 under the DST-JSPS Exploratory visit program. He delivered a lecture entitled "Role of Pressure on Critical Behavior of Some Perovskite Manganites" in the seminar, which is held at Muroran Institute of Technology on 13th, October 2015 (16:00-17:00, Room A322). He interacted faculties and students and his visit is mutually benefited and paves the way for future collaboration.
