Graduate School of Science and Engineering, Kagoshima University

16, October, 2015

Prof. Sonachalam Arumugam (Centre for High pressure Research, School of Physics, Bharathidasam University, India ) visited the Kagoshima University, Kagoshima, Japan during Oct.14-16 2015 under the DST-JSPS Exploratory visit Program. He delivered a lecture entitled " Pressure effects on on Critical Behavior of PM-FM transitions in some Perovskite Manganites" , which is held at Kagoshima University on 16th, October 2015.He interacted with Faculties and students and his visit is mutually benefited and pave the way for future collaboration,

Keiichi Koyama,  
Professor, Ph.D.
