This is to certify that Prof. S. Arumugam (Centre for High Pressure Research, School of Physics, Bharathidasan University, Tiruchirappalli - 620 024, India) had visited National Institute Science and Technology (MISIS), Moscow during 30 July - 13 August, 2016 under the DST -RFBR (Indo -Russia) international exchange program. During his stay we had a useful discussion about ongoing research work, Crystals to be grown and oriented and future plan of collaboration etc.

He also visited low temperature and superconductivity lab, Moscow state university and discussed our recent results on pressure effect on Cuprites materials and his trip to our laboratory is mutually beneficial.

A handwritten signature in black ink, appearing to read 'D. Shulyatev', written in a cursive style.
