

# LEARNER SUPPORT CENTRES AND EXAMINATION CENTRES

## Information and Communication Technology (ICT) facilities in the Centres:

The centres are equipped with state-of-the-art Information and Communication Technology (ICT) facilities to ensure a seamless examination process. Here are the facilities available:

### Computer Labs:

- Modern computer labs equipped with desktop computers or laptops for online examinations.
- High-speed internet connectivity to facilitate online exam access and submission.

### Printing and Scanning Facilities:

- Printing facilities for candidates to print examination-related documents, if required.
- Scanning facilities for uploading handwritten responses or documents as per examination guidelines.

### Technical Support:

- Qualified technical staff available to assist candidates with any ICT-related issues or queries.
- Helpdesk support to address any technical difficulties encountered during the examination.

### Security Measures:

- Firewall and antivirus protection to ensure the security of examination data and prevent unauthorized access.
- Surveillance cameras and access control mechanisms to monitor exam centre activities and maintain exam integrity.

With these robust ICT facilities in place, candidates can undertake examinations with confidence, knowing that they have access to the necessary resources and support for a smooth and secure exam experience.
