Invention Disclosure Form - 2

1. Title of the project/Invention

2. Inventor(s) / Collaborator(s)

a) Name :

Designation :

Dept :

E-mail :

b) Name :

Designation :

Dept :

E-mail :

3. Is the work bound by any agreement / contract / MoU?

4. Is the patent (to be filed) for a process or product?

5. Brief description of the invention

a) How does this invention relate to new processes, compositions of matter?

✓ **General area of Patent**

✓ **The problem for which solution was researched**

✓ **The invention namely the solution to the problem**

Note: This invention disclosure form for ongoing or completed research works

b) Is the work a mere extension of common known knowledge? Yes/No
(Mention details)

c) How is the present invention an improvement over existing comparable invention?

✓ **Give literature details** (attach separate sheet)

- **Journals and other publications**
- **Patents**

✓ **Has the work been displayed anywhere, if yes, when?**

✓ **Has the work been reported/published/presented oral or poster anywhere (if yes, give full description)?** (attach separate sheet)

✓ **Information available in the published literature (prior art) about the problem tackled**

✓ **Has the work filled a major gap in prior art? If yes, a brief description of this gap**

✓ **Has the work been systematically and chronologically documented?**

✓ **Has the invention tested experimentally? Are experimental data available?** (Attach separate sheet)

✓ **Have any related patents been filed by the inventor?** (Mention the details)

✓ **What aspect of the invention needs protection?**

(Please attach sketches, drawing, photographs and other materials that illustrate the description)

d) Commercial Potential

- ✓ **What are the possible uses/application areas and/or product you feel may embody aspects of your invention?**
- ✓ **Who are the possible end-users of the product?**

e) Prior disclosure and possible intent

- ✓ **Has the invention been disclosed to industry representatives or third parties? If yes. Name companies/industries and specific individuals and their titles**
- ✓ **Has any commercial interest been shown in it and of what nature?**

I agree to assign my rights in the invention to Bharathidasan University (BDU)
