

# Reap Patent Programme

**Date:** Oct 24<sup>th</sup> to November 15<sup>th</sup>, 2019

**Venue:** Intellectual Property Rights Cell, Cell complex, BDU

**Time:** 02:00 PM - 5:00 PM

## Introduction

To generate Patent from University, Intellectual Property Rights Cell invited researchers of university to find out the way to patent their novel findings through one-to-one interaction, Prior art search for detecting the novelty of the invention and guidance for IPR filing.

Totally Five (5) inventors are visited for a purpose of IPR detailing and Prior art search.

## Outcome

IPR cell conducted prior art search for Two (2) inventions and the search reports are sent to the concerned inventors for further proceedings.
