

SPECIAL LECTURE INTELLECTUAL PROPERTY RIGHTS : SCOPE AND CONCERN

JAMAL MOHAMED COLLEGE, TRICHY AUGUST 6, 2019

RESOURCE PERSON

Dr. M. Sundararaman, Co-ordinator,
IPR Cell, Bharathidasan University

VENUE: JAMAL MOHAMED COLLEGE, TRICHY

The seminar programme commences with welcome address by Dr. A. Zahir Hussain, Assistant Professor of the college. Around Ninety (90) Faculties and research scholars of the college are participated.

The first session of the seminar begins with explaining the basics of Intellectual Property (IP) and Intellectual Property Rights (IPR) and emphasis the need of IP Protection and its role in NAAC and NIRF ranking for the institution. Further explained the National Intellectual Property Rights Policy 2016 and its objectives, types of IPR with examples. The audience had game time to find out the IP Protection for the picture shown to them and participated enthusiastically.

The second session of the seminar dealt with Patents, Non-Patentable subject matter, Patentability criteria, Patent procedure – Steps involved, Fees etc., and Patent Office. Further presented on Copyrights and procedure for obtaining copyright with plagiarism scenario. Finally, explaining the career opportunities available for both science and art streams in IP field.

The programme ended with valuable feedbacks and Vote of thanks
