

Workshop on “Research Methodology in Social Sciences”

A Two Day Workshop on “**Research Methodology in Social Sciences**” as organized by Department of Women’s Studies on **10th& 11th October 2013**. **Dr.N.Murugeswari Head i/c** organized the programme, welcomed the gathering and introduced the Resource person. The resource person **Dr. Shankar** had given an in depth briefing of the statistical methods that are used for research. The practical session on

the usage of SPSS for research and its orientation was well reached and the scholars had raised many queries as to the topics illustrated. The session continued until 6.00pm as the eagerness of the students need to be commended. All the statistical methods with visual examples were highlighted and it was an interactive session.

The next session of the day had **Dr. V. Malarmannan** who gave the benchmarks for a good, simple but holistic research. He stressed on the developing an inquisitive mind towards searching the issue and hone ones’ writing skills. Effective management of Research questions which should be logical with a scientific backup and genuine representation of the subject.
